It is with great pleasure that I share this message for the Exhibition Souvenir as the chief guest of "Luminex 2025" - the inter-school photography competition and exhibition organized by the Photography Club of Gampaha Yasodara Devi Balika Vidyalaya.

Photography is not just about capturing images, but also about capturing the essence, emotion, and story behind them. Many photographers use their work to drive social change, high lighting issues like poverty, climate change and human rights.

By this day students can feel enjoyment, importance, wide field of the photography.

So I thankful to the teacher in charge of the photographic society Ms.Rasika Siriwardhana and the other teachers and the trainer Mr. Gamini Fonseka.

Dear students,

You have real bright way to go beyond. I wish you to have a fruitful future.

MESSAGE FROM

THE TEACHER IN-CHARGE

It brings me great joy to present this Ebook, a visual journey through our photography day.

I believe Luminex 2025 is a great opportunity for our students, as well as the students of other school to illuminate their creative eye through the lens. This day wasn't just about taking photographs, it was about freezing moments, telling stories and expressing creativity through each frame.

Every photograph featured here reflects the dedication, passion and keen eye of student photographers.

thank you to everyone who made this day possible, specially our hard working student photographers of Yasodara Devi Balika Vidyalaya. As their teacher-in-charge, I'm incredibly proud of their growth. I hope this day is not only showcase their talents but also encourage others to see the world a little different through the lens of curiosity and creativity.

Best Wishes!

Rasika Siriwardhana

MESSAGE FROM

THE PRESIDENT OF YDBPAS 24/25

Stepping into the light of Luminex 2025 has been both a dream and a challenge. As the President of the Photographic Art Society, I have had the privilege of witnessing not just creativity, but courage and commitment come to life through this event.

This year was unlike any other. We walked through uncertain times, with limited resources, tight budgets, and faced to many troubles. Yet, through every obstacle, we held onto our vision. Each member of our society stood strong, balancing responsibilities, academics, and the immense workload that comes with organizing a school level exhibition of this scale.

Despite the difficulties, we turned limitations into inspiration. We explored new ideas, found strength in teamwork, and pushed boundaries in both artistic expression and leadership. From late night planning sessions, Luminex has been a journey of growth, passion, and perseverance.

I'm incredibly proud to say that our society didn't just survive the challenges, we transformed them into stepping stones for success. Through every captured frame, every laugh shared during preparations, and every detail brought to life, Luminex 2025 reflects who we are; storytellers, dreamers, and changemakers.

Thank you to everyone who stood by us, our principal, teachers-in-charge, sponsors and most importantly, my incredible team.

Let this not be the end, but the light that leads us into even greater chapters.

Framing Moments, Illuminating Stories.

With gratitude and pride,

Sandali Senarathna
