DESIGN

SLEEK EXTERIOR

DESIGN THAT MATTERS

A confident stance and sleek front grille design give the EX5 impressive road presence from the very first glance.

SEAMLESS DOOR HANDLES

These door handles not only give your Geely EX5 a sleek exterior finish, but enhances energy efficiency and reduces wind noise from entering the cabin.

LED HEAD LIGHTS

Geely's brilliant lighting technology provides you with over 170 metres of illumination, giving you ample time to respond to obstacles on country roads.

ADJUSTABLE HEATED MIRRORS

Cleverly linked to the demister function, the heated exterior mirrors improve overall visibility when in need.

STYLISH TAIL LIGHTS

The fifteen vertical strips in the centre represents the sun's rays, making your Geely EX5 recognisable when overtaking in traffic.

ALLOY WHEELS

Both styles compliment the sleek exterior design of your Geely EX5.

POWER TAILGATE

Your Geely EX5 can remember your preferred opening height which can be opened with a single touch.

COMFORT-DRIVEN INTERIOR

SURPRISING INSIDE AND OUT

Stepping into the interior of your Geely EX5 you are greeted with premium materials, functional storage spaces, and generous interior space to achieve ultimate levels of comfort.

PANORAMIC SUNROOF

The panoramic sunroof can be opened to allow in the fresh air. It also includes an opaque sun blind to efficiently manage the in-cabin temperature.

WIRELESS CHARGING

The driver side smartphone storage also functions as a wireless charger which can be turned on and off.

COMFORT AT HEART

Sleek aerodynamic lines meet intelligent interior design. The EX5 pairs cutting-edge technology with premium craftsmanship to redefine the driving experience.

ALL FOR THIS

OVER THE AIR, INTO YOUR CAR

11

ALL FOR THIS

Keep your Geely EX5 up to date with Over the Air updates (OTA). The latest release of features and enhancements can be done from the comfort of your own home.

WORLD LEADING FLYME AUTO SYSTEM

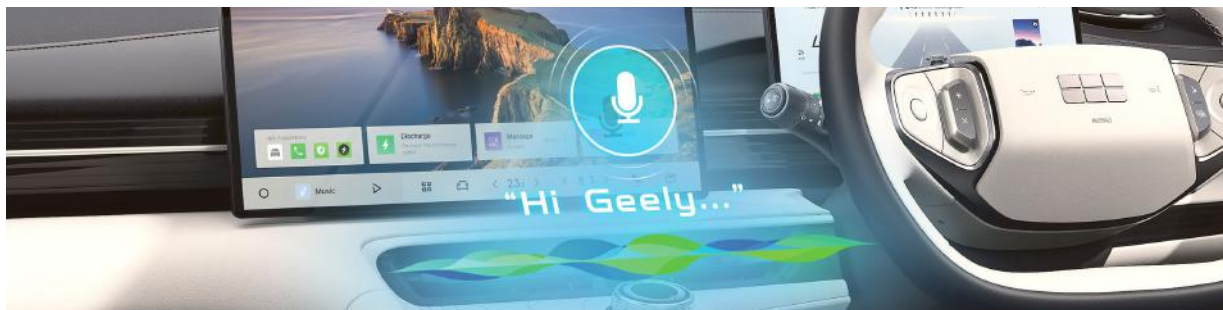

A SMARTER WAY TO DRIVE

Control your car like a smartphone with Flyme Auto, featuring:

FLYME SOUND

Flyme Sound is a brand dedicated to in-car audio which uses the latest in acoustic and material innovations. This enables the 16-Speaker, 1,000W system in your Geely EX5 to create an immersive and powerful audio experience.

VOICE RECOGNITION

The natural voice recognition knows over 200 voice commands to make voice control a seamless experience. By saying "Hi Geely, take me home." your Geely EX5 will begin to navigate your saved home address without having to touch a button.

CONTROL WHEEL

The Control Wheel can be cleverly programmed to suit your needs. In its standard mode, it controls volume. When clicked, it can transform into an air conditioning control dial, allowing you to adjust your settings without having to take your eyes off the road.

FASTER EV CHARGING

ON YOUR WAY IN JUST 20 MINUTES²

Whether charging at home or using a public network, your Geely EX5 benefits from its 11kW on-board AC charger and 100kW DC fast-charging capability. With a fast charging station, the vehicle can charge from 30% to 80% in approximately 20 minutes.

HOME CHARGING

Your Geely EX5 comes with a Portable Mode 2 Charger Cable. This allows you to be able to charge wherever a power point may be present. You can access faster home charging by getting in touch with your Authorised Geely Dealer to learn about the different charging solutions available to you.

PUBLIC CHARGING

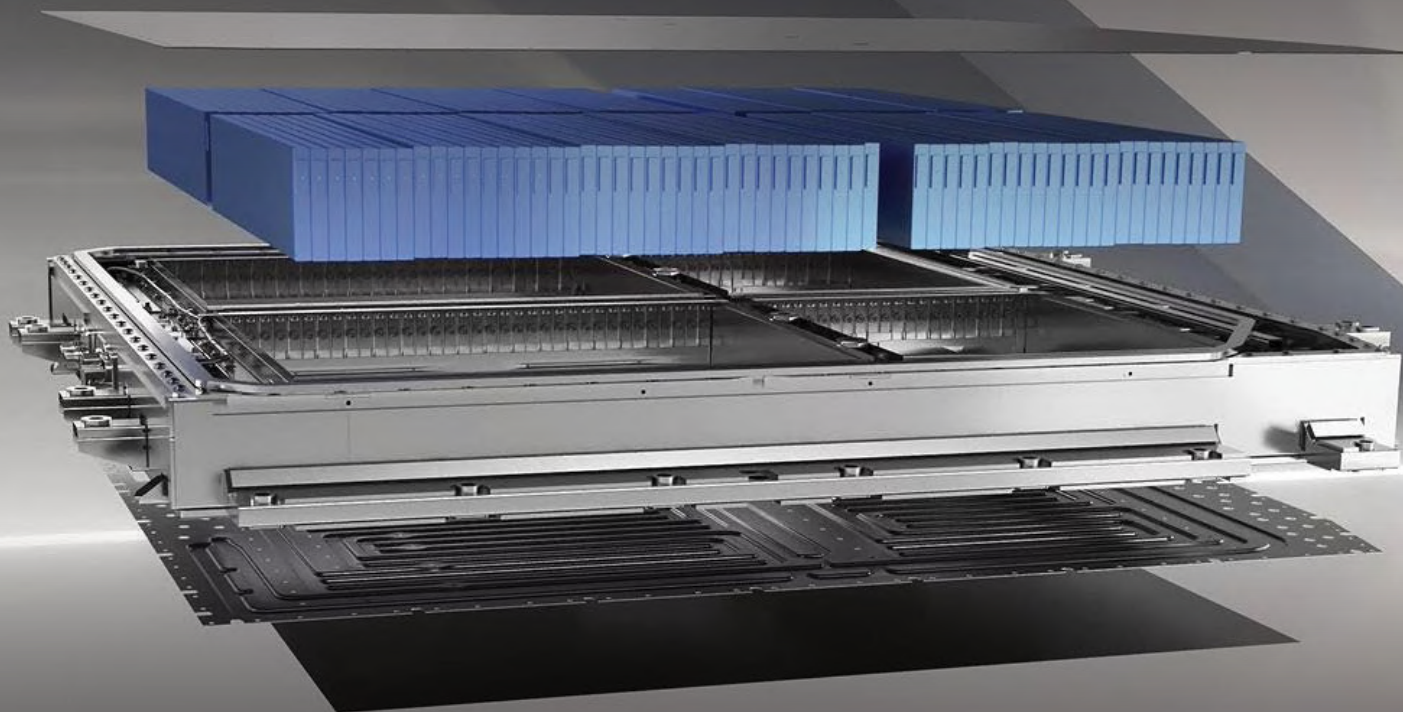

Your Geely EX5 comes with the most common CCS2 charging port. This is available at almost every public charging site in Australia's fast-growing charging network. Your navigation system can intelligently calculate the best route if a charge may be required along the way.

REVOLUTIONARY BATTERY TECHNOLOGY

GEELY SHORT BLADE BATTERY

Experience longer range, enhanced safety, and faster charging from Geely's latest battery technology that has surpassed rigorous global safety tests.

ANCAP
SAFETY

TESTED
2025

SAFETY FOR YOU AND THE ONES YOU LOVE

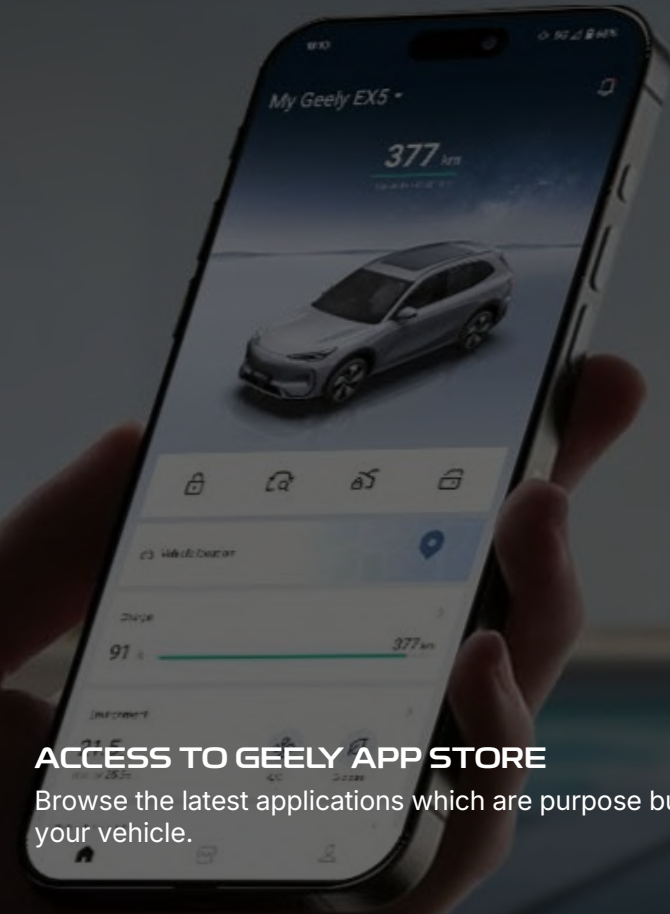

Thanks to the innovative design and technology poured into the Geely EX5, it has been awarded with the highest safety ranking under ANCAP's stringent testing protocols.

GEELY CONNECTED SERVICES

4G CONNECTIVITY

Every Geely comes with 2 years 4G Connectivity as standard giving you access to the best we have to offer³.

OVER THE AIR UPDATES

Download the latest updates from Geely to receive the freshest features for your vehicle.

MEDIA STREAMING

Get direct access to your favourite music, podcasts or audiobooks, without having to touch your phone.

ACCESS TO GEELY APP STORE

Browse the latest applications which are purpose built for your vehicle.

ENHANCED VOICE CONTROL

Have your burning questions answered by your Geely, like "what's the weather in Adelaide tomorrow?"

REMOTE FUNCTIONS VIA GEELY APP

Control and check your vehicle straight from the palm of your hands.

REMOTE VEHICLE FUNCTIONS

The 4G connectivity of your Geely allows you to communicate with your vehicle via the Geely smartphone app³.

COMFORT SEATS

Heat or cool your seats and heat your steering wheel before you enter your vehicle.

VEHICLE LOCATION

Find your vehicle on a map or activate the horn.

CLIMATE

Activate air conditioning functions like demister and temperature control.

VEHICLE STATUS

Check the interior temperature, or if you have left the doors or sunroof open for peace of mind.

DOORS & WINDOWS

Lock and unlock your doors or crack open a window to get some airflow.

SCHEDULED CHARGING

Set your vehicle charging times to take advantage of off-peak periods at home.

TAILGATE

Lock and unlock the tailgate to allow for remote access.

The specifications, features, and descriptions provided for the Geely EX5 are based on information available at the time of publication (March 2025) and are subject to change without prior notice. Actual specifications may vary by model variant. Images shown are for illustration purposes only and may include optional features not available on all models. To the extent permitted by law, Geely Auto Australia holds no liability for any reliance on the information provided in these materials. Geely Auto Australia Pty Ltd reserves the right to make modifications to the product, design, equipment, and availability at its sole discretion. Consult your authorised Geely Dealer for the latest information and availability. | ¹Figures shown are based on WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure). Real-life results may vary depending on driving style, road and traffic conditions, environmental influences, vehicle condition, use of ancillary features, and accessories fitted. The figures advertised are only to be for comparison amongst vehicles only. | ²Advanced Driver Assist Systems (ADAS) features are designed to assist the driver but do not replace the need for attentive driving. Performance may vary depending on weather, road conditions, and other external factors. Drivers must always remain in control of the vehicle and comply with road laws. Refer to the Owner's Manual for detailed information on system limitations. | ³Apple CarPlay® is a registered trademark of Apple Inc. Android™ Auto is a registered trademark of Google Inc. Apple CarPlay® and Android™ Auto support specific applications and devices. Compatibility and functionality may depend on the operating system and software version of the connected device. Use of these features while driving must comply with local road safety laws. | ⁴Bluetooth functionality is dependent on device compatibility and software version. Features such as call handling, music playback, and other Bluetooth services may vary between devices. Check with your authorised Geely Dealer for compatibility details. | ⁵Wireless charging functionality is compatible with specific devices that meet the Qi standard. Charging performance may vary depending on device type, battery condition, and usage during charging. Non-compatible devices may require additional accessories. Always ensure the charging surface is free from objects to avoid interference. | ⁶Geely Connected Services are provided through a SIM card that is permanently installed in the vehicle. Features may vary by model, market, and service provider. Subscription fees may apply after the initial trial period. Check with your authorised Geely Dealer for more information. Geely Auto Australia Pty Ltd is not responsible for service interruptions caused by network or coverage limitations.

GEELY PRE-PAID SERVICE PLANS

Geely pre-paid service plans are available for purchase with any new vehicle and activated within the first 12 months of ownership.

With Geely service plans you'll find the comfort and assurance of:

- Protection from future price increases on parts and labour.
- Service plans are fully transferable to new owners in case you decide to sell your Geely Vehicle.
- Ability to service at any Geely Authorised Service Dealer across Australia.
- All service pricing is inclusive of parts labour and fluids.
- All work completed by Geely Trained Technicians, using manufacturer diagnostic equipment and special tooling.
- You will receive Geely Premium Roadside Assistance for the full term of the service plan whilst continuing to service within the National Geely Network.

Plan term	Price (\$)	Savings (\$)
3 Years	\$517.00	\$128.00
5 Years	\$1,190.00	\$297.00
7 Years	\$1,642.00	\$410.00

Terms & exclusions apply. Visit our website <https://www.geely.com.au/ownership/servicing> for more detail.
