About SLCC

Woven by Tradition, Welcoming by Nature

YOUR PLACE FOR DOWNTIME ON THE LAKESHORE

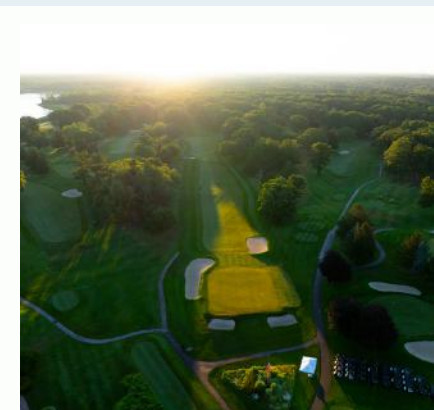

For more than a century, Spring Lake Country Club has been rooted in tradition while continually evolving to serve the needs of today's members. We honor our history while thoughtfully shaping what comes next. Our legacy guides us, but it never limits our vision.

Here, you don't have to choose between refined amenities and a relaxed, welcoming atmosphere. We believe the most meaningful experiences happen when both coexist seamlessly.

From championship golf and lakeside leisure to exceptional dining and thoughtfully curated social events, Spring Lake Country Club delivers a private club experience that is both polished and approachable. Established in 1911 as the area's premier golf destination, the Club has grown into the lakeshore's gathering place for connection, celebration, and lasting memories.
