FACULTY

Mr. Walker

PRINCIPAL ... MR. WALKER, A TRUE FRIEND TO ALL!

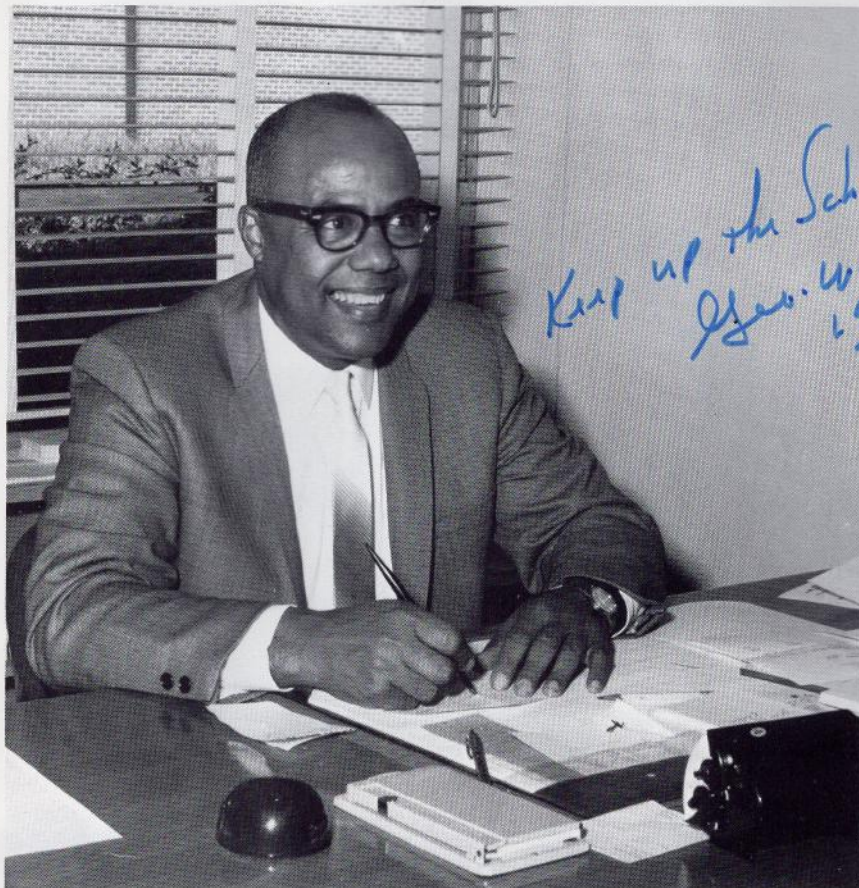

The yearbook is something that will increase in value with the passing years--recalling for you a familiar face or bringing to mind a pleasant memory.

As Principal of Monroe Junior High, I deem it a privilege and a pleasure to work with the fine yearbook staff, sponsor, teachers, patrons and students of our school. It is my hope that your experience here will cause you to be more aware of the opportunities of the "American Way" and that you will take advantage of these opportunities.

Your honesty, your devotion to duty, and your many kindnesses will long serve me as a source of inspiration.
