Tips

R-controlled words are controlled by the letter r. Practice saying r-controlled words smoothly. For example, fork should be /f/ /or/ /k/ not /f/ /ö/ /r/ /k/.

The Corn Maze

Just Right Reader Inc.

Darius and Montana loved
Fall Fest at the farm!

They started at the pumpkin
patch! Next, they rode the
horses from the barn.

Then, they collected acorns.

At last, it was time for
the corn maze!

The corn maze started at
the arch!

"Let's see how fast we can
sort it out," said Darius as
he waved to Montana and
ran into the maze.

Montana darted across the
yard and into the maze too.

But Darius was fast!

She could not catch up
with him. Darius was gone
inside the maze.

Montana ran up and down
the paths. She came to a
fork in the maze. She went
to the left, but the path
ended! She went back again.

Where was Darius?

Darius was stuck because he was too short to see over the corn stalks! He was starting to get a bit alarmed.

Darius called, "Montana! Where are you?"

Montana yelled back, "Darius!
I'm over here!"

They were not far apart!

They kept going until... crash!

Darius ran into Montana!

The kids hugged and smiled!

"It's time to get out of here!" said Darius.

"Can you find the exit?" asked Montana.

"Yes! Look! I see the end!" Darius yelled.

"Let's go home!" said Montana.

Decodable Words can be sounded out based on the letter-sound relationships.

High-Frequency Words are the most commonly used words. Your reader will begin to recognize them.

R-Controlled Vowels are words with a vowel followed by an r. The r changes the sound that the vowel makes.
