We're exhibiting at:

Queensland Mining & Engineering Exhibition

21-23 July 2026

Mackay Showgrounds | Stand A320

Welding

Focused on welding gear for over 30 years from quality brands relied on by the Queensland mining industry.

Vending Machines

Give crews 24/7 access to critical gear while improving stock control and reducing wastage.

Respiratory

Stay protected from welding fume, coal dust & other hazards with one of the many respirator options from ACL.

Shutdown Stores

Keep critical tooling and consumables on site, supported by managed stock and daily reporting.
