# PARK PROJECTS

## SWANSTON SPRAY PARK

Swanston Park received a major upgrade in 2020 with the replacement of the spray park features and new equipment. Come out and spend your summer in our ocean themed spray park. Your water sprayed summer of adventure and fun starts with just a touch of a starfish.

## GIBBONS DG WALKING TRAIL

Gibbons Park can now be walked along the entire perimeter of the park. We have finished the trail, connecting east and west of the park for a ¾ mile stroll around the park.

## ORVILLE WRIGHT PLAYGROUND

Orville Wright Park received a new play structure in 2020. Postcards were hand delivered by staff to a half mile radius of the park, giving them an opportunity to vote on the play structure for their neighborhood. The residents made a fantastic choice with this new three story tall, tree house themed play structure.

## EASTERN OAK PICKLEBALL COURTS

Pickleball is becoming one of the fastest growing sports in the country. Come check out our new overlay system installed at Eastern Oak Park. The old courts were riddled with huge cracks everywhere. This new overly court system comes with a 5 year “no crack” guarantee.
