We wear our uniform for important reasons...

Our students are encouraged to wear their Academy uniform with pride.

Our Academy uniform has been carefully selected to:

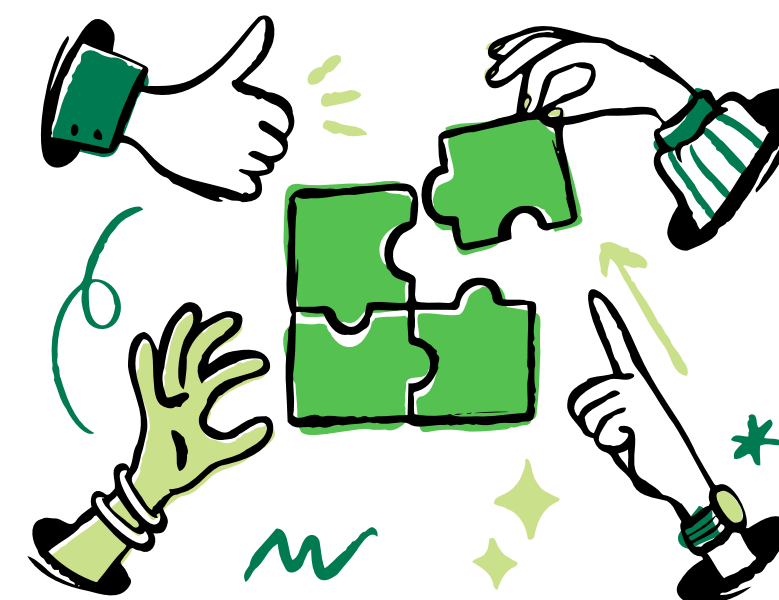

- Be robust and value for money;
- Promote equality and a sense of belonging among our students;
- Improve behaviour and a positive attitude towards learning; and
- Reduce bullying and bridge the socio-economic gap between our students.

For these reasons, our Academy uniform is compulsory and all students must wear it in its entirety.

 We need your help! 

As parents and carers, we need you to ensure your children have the equipment they need each day.

- *Do they have a **pencil case**, with a pen, pencil and ruler?*
- *Have they got their **planner**?*
- *Are they wearing their **school tie**?*
- *Have they got their **school shoes** on, not their trainers?*

As a school community our Academy staff, students, governors, and our parents/carers must work together to ensure we 'complete the jigsaw'.

As our uniform is a mandatory requirement in our Academy, if a student does not have the correct uniform, they will be provided with items to wear that day, or until they are able to obtain the correct uniform. This includes blazers and shoes.

A full guide of requirements is available on our [Academy website](#).

Do you require support?
Let us know.

We understand that although we have tried to select uniform that is good value for money, there are times when parents/carers need support to ensure their students have everything they need.

If this is the case, please let us know by completing our [Google Form](#).

6 reminders about our Academy Uniform

1 Student are required to wear their SCHOOL TIE

Students should wear the appropriate school tie at **ALL TIMES**, unless they are in their PE kit.

Loan ties are available at 'Student Services' from 08:30.

These should be collected before Registration.

2 Plain, v-neck JUMPER

A **plain, v-neck jumper** can be worn under a blazer, if students wish.

This is not an alternative to wearing their blazer.

This is also not the Academy PE jumper.

3 A BAG is essential

All students must bring an appropriate bag to school.

As lessons take place across the Academy, this helps to ensure students **have all the equipment they need for each lesson** and reduces lost property.

4 JEWELLERY should be minimal

Our policy states that although jewellery can be worn, it must be minimal:

One, small set of stud earrings **ONLY**

One ring, on one finger

NO necklaces

NO hoop or drop earrings

NO nose piercings

5 Hair should be a NATURAL shade

Natural colouring is permitted; extravagant or unnatural colours/styles are not.

Simple hair accessories are permitted, but large headbands or hats are not.

6 Appropriate SHOES

A reminder that **trainers are not permitted**, unless for PE.

Shoes/boots should be **black 'leather'** and **supportive**.

Some styles of 'Mallet' are permitted. See our guide for more details.

INTRODUCING...

StudentServices

*YOUR ONE, STOP, SHOP FOR ALL OF OUR STUDENTS'
STATIONERY NEEDS!*

Should your child leave for school without the essential pen, pencil and ruler, they can now visit our **NEW StudentServices** - located opposite our Academy Reception.

Here they can buy everything they need for a productive day of learning, at a fraction of the price in the shops.

Forgotten their tie? We offer a 'swap' option for borrowing one for the day.
