

# Join the workforce mobility revolution with Zebra devices for Android.

## REASONS TO JOIN THE WORKFORCE MOBILITY REVOLUTION:

### 1. Enterprise mobility OS of choice: **Android**

Android enjoys worldwide dominance with **80%+** smartphone market share.

Android is incredibly flexible and customizable and backed by a global development community.

Android for Enterprise is superbly secure and robust thanks to Zebra's uniquely toughened architecture.

### 2. **10 out of 10** for choice

Whatever the industry, whoever the employee, whatever the task, there's a Zebra for Android device that's the perfect fit.

### 3. Zebra is the **best choice** for enterprise

**The Best Approach:** Zebra for Android is uniquely hardened for use in the harshest enterprise environments.

**The Best Devices:** The world's largest selection of enterprise Android devices, the Zebra range encompasses hardware for every eventuality.

**The Best DNA:** Mobility DNA works at the cellular level of Zebra mobile devices to transform the world's most popular consumer operating system—Android™—into an enterprise-ready force that heightens productivity, simplifies management and eases integration.
