

Viva LIFT![®]
POWER RECLINER COLLECTION

“

AN INCREDIBLE CHAIR!
I CAN FULLY RECLINE
AND IT IS SO RELAXING. IT REALLY IS
THE MOST COMFORTABLE
RECLINER IN THE WORLD!

– GEORGE R.

SCOTT MEUSER
CHAIRMAN & CEO
PRIDE MOBILITY®

With over three decades in the power lift recliner industry, we know that our business is about you, our customer. We're humbled when you choose to bring one of our power lift recliners into your home, knowing that it must fit your lifestyle and decor.

VivaLift!® Is the culmination of your direct feedback. You wished for luxurious comfort, exceptional quality, state-of-the-art features, and elegant designs. Over a two-year period, we listened and refined, then listened some more. The result is the VivaLift!® line of power lift recliners designed for you, your home and your lifestyle.

We understand that bringing a power lift recliner into your home isn't just a purchase, but an investment – toward your comfort, home décor, and lifestyle. We deeply value that you, our customer, have enabled us to meet those vital goals through VivaLift!®.

A handwritten signature in black ink that reads "Scott Meuser". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

INDEPENDENT FUNCTIONS

-  1. The power headrest lifts your head, neck and shoulders for maximum support.
-  2. The upward lift offers convenient stand assist for getting in and out of the recliner.
-  3. The power lumbar enables you to personalize your comfort.
-  4. The footrest extension allows you to relax and stretch out completely.

- 5. The backrest moves up and down independently to help you find the perfect position.
- 6. Infinite position recline enables the backrest and footrest to move independently from one another so that a variety of positions can be reached.

THE MOST COMFORTABLE RECLINER IN THE WORLD!

STANDARD FEATURES

- 7. Convenient USB ports* allow you to charge your smart devices.
- 8. Lithium battery backup ensures your recliner is operational when the power goes out.

**USB port locations may vary depending on the model.*

Heat pads are located in the shoulder, lumbar and seat sections.
