50TH ANNIVERSARY
of the 1971-72 Stanley Cup
Championship

Welcome to the 2021-2022 Boston Bruins Alumni season! As we look back on 2020 we are proud to report the alumni continued to support various charities across New England despite being in the middle of a pandemic. The Bruins have always been known for their grit and determination and the alumni did not disappoint. Knowing they could not play with fans in the stands, the alumni quickly adapted and switched to a New Virtual Game format on our New Bruins Alumni TV!

By switching to a New Virtual Game format, fans who were unable to attend a game in person were able to view a one-hour game show on the New Bruins Alumni TV via our website www.bostonbruinsalumni.com and donate to support their charity. With the support of the team and the community, the alumni continued to play, raising over \$300, 000 for deserving charities!

As we head into a new season, we plan to return to the ice and play in front of fans, however, due to the success of the Virtual Game format, we will continue to air as many games as we can on the New Bruins Alumni TV. We hope you will plan to attend a game or tune in on-line and support your favorite charity!

Alumni games are not the only way the alumni give back. The lifting of restrictions allowed the alumni to participate in various golf fundraisers and player appearances over the summer months and we hope to be able to return to in-game suite visits and hospital visits in the future.

None of this would be possible without the unwavering support the Boston Bruins have provided the Alumni. Since the Alumni was founded back in 1968, the Bruins have supported the Alumni in all our endeavors. We are fortunate to have members of the Bruins family, who were there when it all began, still with us today. For over 50 years, Ed Sandford, our oldest living Alumni member and Bruins Ambassador, John Bucyk have remained involved with the team.

As we look to the future, we hope you will join us when we take to the ice this season! We can't wait to see new fans back in the stands!

In the last year we have lost six members of the Bruins Alumni family. Each served the Bruins well in a variety of capacities and they are all badly missed.

Former Boston Bruin and Respected Broadcaster John "Johnny" Peirson, died April 16, 2021, at the age of 95 at his home in Wayland, Massachusetts, surrounded in his last days by his family

Signed by the Boston Bruins in 1946, John played right wing for the Bruins' farm team, the Hershey Bears, and then 11 years with the Boston Bruins and was a member of the "Muscle Line." He was a talented goal-scorer, scoring 20 or more goals four times, and played in the NHL All Star game twice.

After his retirement from hockey, John became a well-known and respected broadcaster and color analyst for the Bruins, working alongside Fred Cusick for many years. John had a keen eye, and a deep understanding of the game, and his breakdown of play between periods, known as "Peirson's Pointers," was a favorite among the Boston fans. John retired from broadcasting in 1995.

Good Deeds is a recycled goods shopping experience that is good for your soul and good for our community. Good Deeds began from our parent company, Dirty Deeds House Clean Outs. We clean out attics, basements, garages and whole houses, receiving a lot of nice, usable items in daily.

All items from Dirty Deeds such as furniture, electronics, cleaning supplies, and more are brought into our store and sold at competitive prices. Our philosophy is to help people who have less than most of us each quarter in our "give back" program.

Our policy is a portion of our profits are given to local charities each quarter, in addition to donations collected throughout that quarterly campaign. Additionally, furniture and household items not sold in our store are donated to a charitable group Household Goods in action, who provides over 1,000 families in need household goods through various agencies in Boston.

Thus we sell items and provide some funds to local charities and also provide families in need essentials all from our clean-outs of our sister company, Dirty Deeds.

AHIHA is much more than just a place where athletes learn how to skate and shoot pucks. It is an organization that works hard to help its participants to achieve goals and become successful in life and hockey.

"I will never forget the first day in the locker room when the kids looked around the room and were surrounded by kids just like them – the looks on their faces were priceless! They were in awe!! We soon found out it wasn't "just a hockey camp", it is so much more! We found a new family." Karen Gintoli, mother of 2 deaf hockey players (Bronze medal team, 2015 Deaflympics)
