The History of...

# "THE GOOD GREEK WAY"

Ever since "The Good Greek" Spero was a little boy, he wanted to be a police officer. They were the good guys, they helped people; they were SUPERHEROES! As a police officer, Spero saw the bad side of the moving and storage business. Once he pursued a career in moving and storage, he realized that we could do it better... for the customers, for the employees and for the community. Spero wanted Good Greek to be different. Like his law enforcement days, he wanted to do things the *right* way. With honesty, integrity and courage. That is how "The Good Greek Way" came to be. Good Greek is passionate about helping the community by giving back and caring for our customers like family.

"THE GOOD GREEK" SPERO

At Good Greek Moving & Storage, we pride ourselves on more than just our excellence as the best relocation provider available. We know that our greatness as a service provider begins at the core of our ethos "The Good Greek Way."

# The Tickin Law Group

---

Welcome to your new home!

We hope that you have no need for lawyers. However, if you do, The Tickin Law Group is here to help you in whatever legal needs you may have.

Our firm lives by our 3 C's. First, we are Creative and hire creative lawyers. We realize that law firms hire lawyers for what they know and eventually, fire them for who they are. We hire for who they are.

Secondly, we are Cost effective. Lawyers are expensive and they can either act responsibly or they can unnecessarily run up their bills. We do what we should to keep the bills down.

Lastly, we Communicate. We have a firm requirement to respond to telephone calls promptly, and at least within 24 hours.

We understand that to be your lawyers, we need to meet up to your expectations. Please go to our website [www.LegalBrains.com](http://www.LegalBrains.com), to learn all about us. Consultations are always free.

Meanwhile, you have unpacking to do, so just remember us. We put some measuring cups/spoons in your gift box, to remind you to call us if you need lawyers who measure up.

Yours very truly,

**PETER TICKTIN, Esq**

Step back in time to the turn of the century with a visit to the House of Refuge Museum at Gilbert's Bar. Built as one of ten along the east coast of Florida, it is the oldest structure in Martin County and is the only remaining House of Refuge. The Houses of Refuge were designated as havens for shipwreck survivors, including those of the Georges Valentine, an Italian brigantine whose wreckage remains just 100 yards off the rocky shoreline. Today it tells the story of the region's significant maritime heritage and the Floridians who endured hardships for the sake of humanitarian service.
