Norfolk Young Farmers Charity Dog Show

Raising Funds For
Norfolk Young Farmers

OFFICIAL PROGRAMME

Welcome

from Tom Fraser, County Chair and Hannah Howell, Socials & Marketing Chair.

Hello & welcome to the Norfolk YFC Charity Dog Show. Norfolk YFC is bringing together animal lovers, families and rural communities for a heartwarming cause, supporting young farmers. YFC have put together the Charity Dog Show designed not only to celebrate our four-legged friends, but also to raise vital funds to invest in the future of YFC.

The event will feature a variety of fun and inclusive classes, welcoming dogs of all breeds, sizes and personalities. From "Best Trick" and "Waggiest Tail" and "Dog Most Like Its Owner," the show promises to be an entertaining day for participants and spectators alike. Whether you're a proud dog owner or simply enjoy a lively community gathering, there will be something for everyone.

Beyond the light-hearted competition, the purpose of the event is deeply meaningful. Funds raised will go directly toward supporting young farmers, helping them access training, resources and opportunities that are increasingly difficult to secure. With rising costs and ongoing challenges in the agricultural sector, initiatives like this play a crucial role in ensuring that the next generation of young farmers' clubs can continue to thrive.

We hope the Charity Dog Show will not only raise money but also awareness about the importance of investing in young people within farming communities. By combining a fun, family-friendly event with a meaningful cause, we aim to strengthen local support networks and inspire greater involvement.

Please enjoy the refreshments, stalls and activities throughout the day. All proceeds from entry fees, donations and on-the-day fundraising will

contribute to supporting young farmers and helping to secure the future of rural life.

Together, we can ensure that young farmers have the support they need to grow, succeed and continue feeding our communities for generations to come.

Thank you to Wagdale for sponsoring the Charity Dog Show

What is Norfolk YFC

Young Farmers' Clubs are run by the members, for the members, empowering young people to make their own decisions both within YFC and in their wider lives. They offer a wide variety of learning opportunities, including both vocational training and essential life skills, while striving to provide a safe and supportive environment where individuals can be themselves and have fun. YFC also creates a strong network of support for young people living in rural areas and plays an important role in educating members on agricultural and rural issues.

Countrysiders Clubs are for our younger members and have been set up for young people aged 10 - 16 years. Launched in 1996 the clubs have grown across the County. They are known as the junior branch of YFC, with many of their members moving on up to YFC and positions of responsibility.

If you have fond memories of Norfolk YFC and would like to ensure its future success, then please become a Friend by completing the form by scanning the QR code or visit www.norfolkyfc.co.uk/friends.

Friends of Norfolk YFC

Benefits of Being a Friend of Norfolk YFC

- Prior notice of key Norfolk YFC Events
- Entry to the Norfolk YFC Rally
- YFC County AGM
- Norfolk YFC & Royal Norfolk Agricultural Association Harvest Festival at Norwich Cathedral
