PARADE OF HOMES

BEHIND THE GATES OF PARADISE

EXPLORING NAPLES' MOST EXTRAORDINARY HOMES

Let's just say... this wasn't your average home tour.

On a picture-perfect Naples day, a lucky group of real estate professionals, content creators, and luxury enthusiasts stepped aboard an exclusive Parade of Homes Bus Tour, where every stop felt more spectacular than the last.

From breathtaking waterfront estates to impeccably designed dream homes, guests were treated to a behind-the-scenes look at some of Naples' most coveted properties. And trust us—there were plenty of moments that had everyone reaching for their cameras.

The luxury didn't stop at the front door. Professional photographers captured every elegant detail, every stunning view, and every unforgettable moment, creating the kind of content that turns heads long after the tour ends.

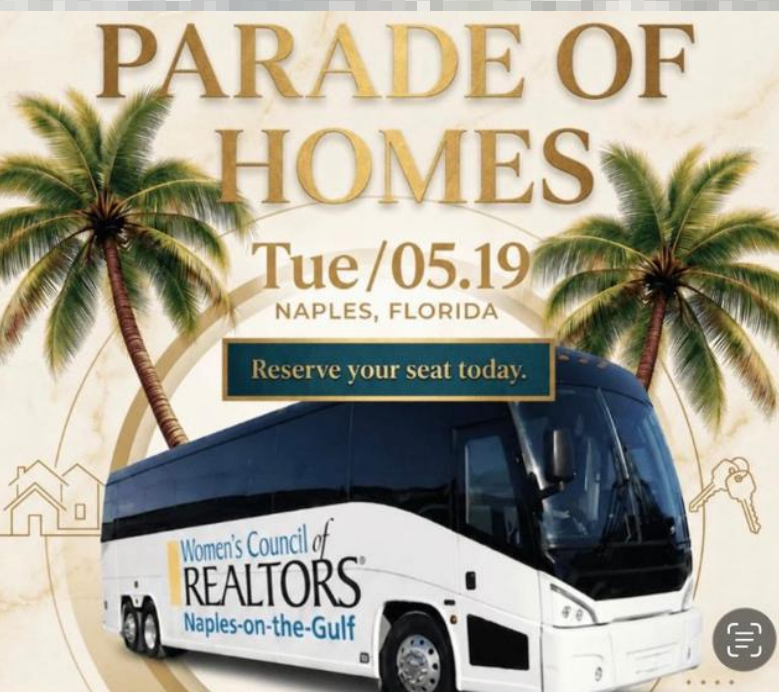

"ALL ABOARD THE MOST STYLISH TOUR IN TOWN."

Stop 1 – 1086 Michigan Ave

A heartfelt thank you to our gracious hosts, Mary Bartos and Michelle Garcia, for opening the doors to this exceptional property and allowing us the opportunity to tour and showcase such a beautiful home. Your hospitality, professionalism, and dedication to presenting this stunning residence made this stop truly memorable.

"Some homes make an impression. These homes told a story."

Luxury. Design. Inspiration.

Between laughter on the bus, conversations with industry leaders, and a little friendly debate over which home deserved the crown for “most jaw-dropping,” the day quickly became one of the season’s most talked-about experiences.

Of course, it wasn’t only about beautiful homes. It was about connection. A gathering of ambitious professionals, creative minds, and community leaders sharing inspiration, ideas, and a passion for the exceptional lifestyle that makes Naples so special.

Because when luxury, creativity, and great company come together...
