A CARES MESSAGE

As we bring another quarter to a close, I am filled with gratitude and pride for what the DLF CARES community continues to achieve.

What began in 2011 with just 52 scholars has grown into a movement that now supports over 5,100 scholars and impacts thousands of lives across India. This journey is not simply about numbers; it is about dreams nurtured, opportunities created and futures transformed.

This quarter, we celebrate the outstanding achievements of our Class X and XII scholars. Their excellent board results reflect resilience, hard work and the unwavering belief that education can change lives. We also take pride in our alumni, many of whom have emerged as successful professionals and returned to mentor the next generation of scholars.

Our recognition for Inclusive Education and our continued outreach to children from diverse backgrounds reaffirm our commitment to creating opportunities for every learner to thrive.

To our scholars, parents, teachers, alumni and partners, thank you for your trust and support. Together, we continue to build not only successful students but compassionate, confident and responsible citizens.

Let us continue to take collective action and create lasting change.

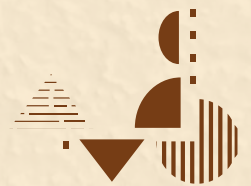

Keep the Faith !

Dr. Ameeta Mulla Wattal

Chairperson & Executive Director

Education, Innovations and Training

DLF QEC Schools and Scholarship Programmes

A DLF CARES LEGACY

For over **15 years**, we have ensured that every child, regardless of his or her background, has access to quality education, meaningful opportunities, and the confidence to pursue their dreams.

Through scholarships, mentoring, teacher development, career guidance, and holistic support, we continue to nurture young minds and strengthen communities.

Our story is not just about numbers; it is about children discovering their potential, families finding hope, teachers becoming changemakers, and, together, building brighter futures.

Every scholar supported, every teacher trained, and every life touched reflects our belief that education is the most powerful catalyst for lasting social transformation.

Our journey of growth

ALUMNI MEET

Our team brought together scholars from different batches for an inspiring day of reconnection, reflection and celebration. The event created a vibrant space where alumni revisited cherished memories, strengthened lifelong bonds, and shared stories of resilience, achievement, and personal growth.

Interactions, memories, sharing meaningful conversations, and delicious eats, filled the day with warmth and laughter. The alumni reflected on their journeys and acknowledged the role of DLF CARES in shaping their educational, professional, and personal aspirations.

A particularly moving aspect of the gathering was the heartfelt sharing by the former scholars.

They spoke of the unwavering support, mentorship, and encouragement they had received through the programme, highlighting how DLF CARES stood by them during academic pursuits and personal challenges.

More than a reunion, the meet reaffirmed the enduring spirit of the CARE'S family, which continued to inspire and nurture generations of young people long after they left the classrooms. Over evening refreshments, participants engaged in networking and exchanged ideas, creating opportunities for guidance, collaboration, and peer support.

The event reinforced the impact of DLF CARES, which extends far beyond scholarships; it nurtures a lifelong ecosystem of empowerment, leadership, and collective growth.

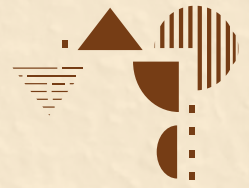

Divyanshi shared that the programme became a source of strength during her struggles, helping her to navigate academic pressure, personal challenges, and emotional uncertainties.

Gautam expressed deep gratitude for the care, love, and constant encouragement, he received from the DLF CARES team. He described how mentors and facilitators supported him not only academically but also emotionally during difficult phases in his life.

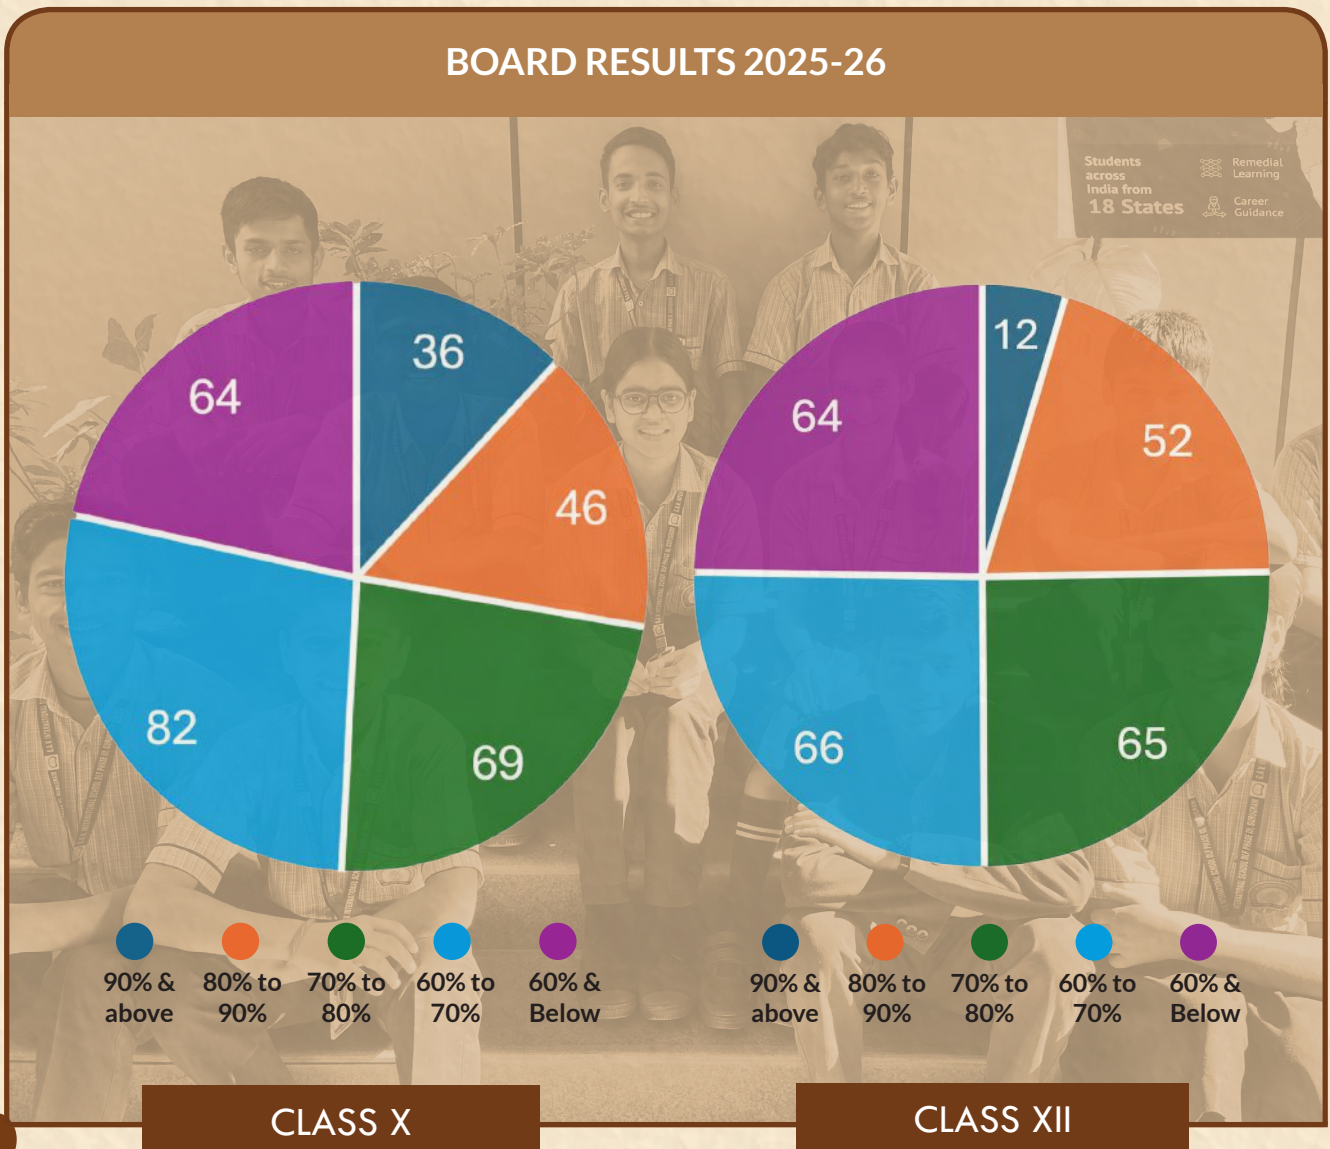

CELEBRATING SUCCESS

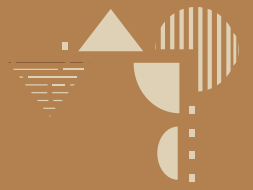

The outstanding performance of our Class X and XII students is a reflection of the determination, perseverance, and potential of DLF CARES scholars. Their achievement stands as a testament to what can be accomplished when talent is nurtured through opportunities, guidance, and sustained support.

We believe that academic success is strengthened by a holistic approach to learning. Through remedial support, career guidance, mentorship, and social-emotional learning programmes, students are empowered not only to excel in examinations but also to build confidence and a strong sense of purpose.

As we celebrate the remarkable accomplishments of our scholars, we also celebrate their journeys of growth, aspiration, and transformation. Congratulations to all for their hard work and achievement.

We look forward to witnessing many more success stories in the years to come. Together, we will continue to build a community where every student matters and has a chance to shine and realise his or her highest potential.
