IRRESISTIBLE DESIGN

SPORTY AND SENSUAL

Discover the all-new PEUGEOT 208's strong personality from the very first glimpse. The low figure, long bonnet and sensual curves hint at its sporty seductive spirit, and the bright and original body colours further enhance its irresistibility! Its assertive character is further underlined by the Black Diamond* roof, gloss black wheel arches and gloss window surrounds* and diamond cut alloy wheels with inserts*.

BOLD AND DARING

The all-new PEUGEOT 208's expressive front face features a large chrome grille and presents a modern and bold vision with its signature 3-claw full LED headlights*. The lighting signature is further enhanced with the striking front LED daytime running lights that also act as the vehicle indicators. This distinctive lighting ensures that you can see and can be seen at all times and optimises both driving and safety.

LUMINOUS PRESENCE

The distinctive and daring rear design, with the gloss black rear cluster connecting strip, is further enhanced by full LED backlights with claw effect*. Equipped with a daytime running function, the intensity of the lights adjusts automatically to light conditions, enhancing the visibility of the vehicle both day and night.

WELL-CRAFTED AND EXPRESSIVE REAR END

The dynamic and well-sculpted rear end of the all-new PEUGEOT 208 comes with two versions of spoiler*. There's also a twin-chrome exhaust system standard on the PureTech 130 8-speed automatic version for that even sportier look.

A blue Peugeot e-208 is shown driving on a city street at dusk. The car is in the foreground, moving towards the right. The background features tall buildings and a blurred yellow taxi, suggesting motion. The lighting is dramatic, with the car's headlights and taillights glowing. The license plate area displays 'ALL-NEW e-208'.

ALL-NEW PEUGEOT e-208
WHEN STYLE MEETS e-MOTION

e-MOTION 208

As quiet as it is flexible and responsive on the road, the seductive all-new PEUGEOT e-208 has it all. Distinctive and exclusive touches embody technology and modernity and the new modular and efficient platform means there's absolutely no compromise on space, technology, looks or driving sensations.

DISTINCTIVE STYLE

Distinctive features include the monogram "e" on the C-pillar and the dichroic Lion which changes colour from different angles; body-coloured chequered front grille; gloss black wheel arches; 17" aerodynamic aluminum wheels* and refined upholstery. And, there's absolutely no compromise on interior space or boot capacity.

* According to version

DRIVING PLEASURE WITH 100% ELECTRIC POWERTRAIN

The all-new PEUGEOT e-208 with its 100% electric powertrain delivers new sensations and up to 217 miles range (WLTP[^]): a smooth drive without vibration; sharp acceleration thanks to immediate engine torque; a silent engine* offering a serene driving experience; and 0g CO₂ emissions while driving.

* Take care when driving as other road users may not be accustomed to electric vehicles. All-new PEUGEOT e-208 is fitted with an acoustic vehicle alerting system.

[^] WLTP cycle, 2019 standard.

Wall charger image shown for illustrative purposes only. Specification may vary.

CONNECT & GO!

With the MyPeugeot App you can view : the progress and status of the vehicle charge; your driving statistics for every journey and eco-driving tips. You can also remotely control certain vehicle functions via the App such as activating, stopping and scheduling the battery charge; and the pre-programming of the heating or air conditioning.

'JUMP IN' NEXT-GENERATION TECHNOLOGY

GUARANTEED COMFORT

The front seats on all-new PEUGEOT 208 have been developed to provide heightened sensations of comfort and support, enlivened with a touch of sportiness making every journey, no matter the distance, an absolute pleasure. Front seat features include electric multi-way adjustment*, heated seats*, multi-point massage function*, driver seat memory* and electric lumbar adjustment*.

THE ENERGISING PEUGEOT 3D i-COCKPIT*

Discover the latest generation PEUGEOT 3D i-Cockpit®* inside the all-new 208. Experience agile and intuitive driving with the compact multifunction steering wheel*, the configurable head-up display*, the large capacitive 10" colour touchscreen* and the 7 satin chrome 'piano' toggle switches. You can also personalise your interior environment with a choice of 8 RGB LED colours*.

CONFIGURABLE 3D HEAD-UP DIGITAL DISPLAY

The all-new 3D i-Cockpit® cluster is a unique system that projects all the information on different layers giving you outstanding 3D effect. It can be fully customised to suit the driver's needs. As the panel is positioned higher, it is closer to the road and is more within the driver's field of vision. This can increase safety when compared to a conventional setup where the dials sit within the wheel, further from the road.

FUN AND INTUITIVE TOUCHSCREEN

The large 10" colour touchscreen* can be controlled using voice recognition, the steering column controls, or its 7 'piano' toggle switches. And with the e-208's screen, you can also watch a real time technical animation of how the powertrain is working.

* As standard, cost option or unavailable according to version.

LET THERE BE LIGHT

Flood your all-new PEUGEOT 208 with natural light through the optional* panoramic glass roof. Running all the way back to the rear seats it provides a spectacular view of the sky and your wider surroundings and comes with a manual roller blind.

A CONNECTED CAR IN A CONNECTED WORLD

ADVANCED CONNECTIVITY

Linked to the 10" capacitive colour touchscreen*, the 3D connected navigation shows you the way with its integrated TomTom® Traffic service that provides real time information about traffic and risk areas. The Mirror Screen®* feature allows you to use the touchscreen to access your favourite apps from a compatible Smartphone, and offers Apple CarPlay™, MirrorLink®, or Android Auto connectivity.

* According to version. ^According to version : Induction charging for devices compatible with the Qi standard. ⁽¹⁾ Only certified Android Auto, Apple CarPlay™ or MirrorLink® applications will operate when the vehicle is stopped or during driving, as appropriate. When driving, some features of the applications in question will be disabled. Some types of content that may be free of charge on your smartphone require paid subscription to an equivalent certified Android Auto, Apple CarPlay™ or MirrorLink® application. The Mirror Screen feature works via either Android Auto (for Android smartphones), Apple CarPlay™ (for iOS smartphones), or MirrorLink® technology (for Android smartphones compatible with MirrorLink®), provided you have a mobile and Internet contract. ⁽²⁾ Real-time traffic, fuel prices, car parks, weather, local searches. A three-year subscription to all these services that can subsequently be extended or renewed (pay service). Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation.

KEEPING YOU CONNECTED

Through the use of inductive charging technology* a compatible device can be charged wirelessly whilst on the move. Operation is simple: just place your smartphone on the charging area and once detected, battery charging begins. There's also up to four USB** sockets in the car for portable devices - making sure everyone stays connected and fully charged on every journey.

* According to version. The device must be Qi-compatible, the very latest smartphones from iPhone, Google, HTC, LG, Microsoft, Motorola, Samsung and Sony feature this technology built in with no additional add-on required. For more information on this technology please visit the Qi website.

** According to version.

INTELLIGENT DRIVING

The all-new PEUGEOT 208 comes with the latest intelligent driving aids, offering assurance on every journey. These include PEUGEOT Drive Assist*: lane positioning assist*, speed and road sign recognition*, adaptive cruise control* and modifiable safety distance*.

Enjoy further assistance with Visio Park 1* with a rear camera which offers a variety of views including rear 'Grid' view; '180°' view, useful for reversing out of spaces; and an 'Overhead' view making it easier when reversing near obstacles.

Park Assist* also offers fully automated parking assistance, both steering, acceleration and braking functions for parallel and bay parking scenarios.

* Standard, or cost option, according to version.

LIVE THE POWER OF CHOICE

A NEW MODULAR AND EFFICIENT PLATFORM

The all-new PEUGEOT 208 benefits from the new modular and multi-energy CMP / eCMP platform, giving you the freedom to choose between a PureTech petrol, BlueHDi diesel or electric powertrain, without having to compromise on technology, looks or driving sensations. Experience a euphoric driving experience through exemplary road-holding; optimised interior space and boot capacity; outstanding manoeuvrability; and futuristic ambience and internal comfort with pre-programmable heating and charging functionality* (available via the colour touchscreen or through the MyPeugeot App).

* Available on all-new PEUGEOT e-208 only.

INTERNAL COMBUSTION ENGINES

Thanks to the efficiency of its multi award-winning* PureTech petrol or intelligent BlueHDi diesel powertrains, and the 8-speed EAT8 automatic gearbox, every all-new PEUGEOT 208 offers a combination of power with controlled CO₂ emissions, together with Stop & Start functionality.

8-SPEED EFFICIENT AUTOMATIC TRANSMISSION

For optimum driving pleasure our 8-speed automatic gearbox* offers : Up to 5% reduction in fuel consumption as a result of optimised gearing; seamless changes for conquering the open road; optimised safety as the gearbox automatically reverts to 'P' (park) when the ignition is switched off; reduced weight through carefully selected materials offering a weight saving of 6kg versus EAT6; and electric impulse control with Quickshift technology. Transmission can also be controlled via the steering column mounted paddles.

ELECTRIC DRIVING PLEASURE

The PEUGEOT e-208's immediate reactivity (136hp and torque of 260 Nm available from 0mph) offers a serene* driving experience.

CHOOSE YOUR DRIVING STYLE

The all-new PEUGEOT e-208 100% electric city car offers three driving modes. 'Sport' where priority is given to performance and driving sensations (0-60 in 8.1s); 'Normal' offering optimum comfort for everyday use; and 'Eco' for range optimisation.

CHOOSE YOUR STYLE

THERE FOR YOU.

When you choose PEUGEOT, you have the reassurance of knowing that your vehicle has been designed and built to give you years of worry free motoring. As a PEUGEOT owner, you can also rely on the customer care services of your Dealer. This will ensure that you're talking to a specialist who'll listen to you, understand your problems and respond efficiently - someone who also has the expertise to maintain your PEUGEOT correctly, using trained technicians, PEUGEOT diagnostic equipment and PEUGEOT original parts.

FOR YOUR PEACE OF MIND MANUFACTURER WARRANTY

Any all-new PEUGEOT 208 first registered in the UK and purchased from a UK PEUGEOT Dealer will benefit from a 2 year unlimited mileage manufacturer warranty and a free optional additional year of warranty (up to 60,000 miles) provided by the PEUGEOT Dealer Network. At the end of the 3 year warranty period (or after 60,000 miles) you have the option to purchase a PEUGEOT Platinum Extended Warranty. Our cars also come with a 12 year Anti-Perforation and 3 year Paint Warranty (6 and 2 years on vans). For full terms and conditions on all of these, please contact your PEUGEOT Dealer. For PEUGEOT e-208, the Electric Vehicle traction battery has an 8 year or 100,000 miles warranty, for 70% of its original charge capacity.

PEUGEOT ASSISTANCE

All new PEUGEOT's come with 12 months of PEUGEOT Assistance - our breakdown assistance service. This covers all incidents involving vehicle based faults for you and anyone else driving your car with your permission.

It is available 24 hours a day, 365 days a year. PEUGEOT Assistance includes European cover, home start, roadside assistance, vehicle recovery and a free replacement car or accommodation if required. It can be extended for a further 12 months, or 24 months, and to protect you against non-vehicle faults (such as punctures) at specially discounted rates, by calling 0870 752 7050.

PEUGEOT SERVICE CARE

Please refer to the maintenance book for details of the service intervals and the specifics of vehicles operating in arduous conditions.

FINANCE - LET THE SPECIALISTS HELP

PSA Finance UK Limited offer a range of flexible finance plans to make owning a new PEUGEOT easy. As specialists, we will provide choice, convenience and flexibility. Written quotations are available on request from PSA Finance UK Limited, 61 London Road, Redhill, Surrey, RH1 1QA. Over 18s only, a guarantee may be required.

FURTHER INFORMATION

PEUGEOT INSURANCE

Designed for PEUGEOT to offer tailored cover at a competitive price. In the event of an accident, a PEUGEOT Approved Accident Repair Centre will repair your car, using PEUGEOT original parts and offer a courtesy car (subject to availability). Call PEUGEOT Insurance for a quote on 0370 024 1107. Calls may be recorded. PEUGEOT Insurance is underwritten by U K Insurance Limited.

PEUGEOT ACCESSORIES

PEUGEOT Accessories are designed specifically for each model meaning no compromises on fit or function. In addition they are tested to a rigorous standard for complete confidence and peace of mind.

PEUGEOT AND THE ENVIRONMENT

Our website has details of PEUGEOT's environmental and recycling policies. Please visit peugeot.co.uk for further details.

ABOUT THIS BROCHURE

The information contained in this brochure is based on the data and images available at the time of printing. Some features may not be available in the UK and some photography may feature left hand drive models. As part of a policy of continuous specification improvement, PEUGEOT reserves the right to modify specification, options and colours at any time. For full details ask your PEUGEOT Dealer, or click on peugeot.co.uk. Print and photographic processes used in this brochure may alter the depth and tone of the colours shown.

This brochure is not a contractual document or offer of sale. The details in this brochure cannot be reproduced without the expressed authorisation of PEUGEOT.

Issued by:

Sales and Marketing,
PEUGEOT Motor Company plc.,
Pinley House, 2 Sunbeam Way,
Coventry, CV3 1ND.

Official Fuel Consumption in MPG (l/100km) and CO₂ emissions (g/km) for the all-new PEUGEOT 208 range are: Combined 44.3 (6.4) – 71.4 (4.0) and CO₂ 108 - 0 g/km.

The fuel consumption or electric range you achieve, and CO₂ produced, in real world conditions will depend upon a number of factors: including the accessories fitted (post registration), the starting charge of the battery (electric only), variations in weather, driving styles and vehicle load. The all-new e-208 is a battery electric vehicle requiring mains electricity for charging. There is a new test (WLTP*) used to measure fuel consumption and CO₂ figures. The fuel consumption figures shown in this brochure are calculated under the WLTP test. The CO₂ figures shown are NEDC equivalent (NEDCeq), calculated using EC correlation tool which converts WLTP figures to NEDC figures, however, these NEDCeq figures are based on the outgoing test cycle (NEDC**) and will be used to calculate tax for first registration. Figures shown are for comparability purposes; you should only compare fuel consumption and CO₂ figures with other vehicles tested using the same technical standard.

*WLTP - Worldwide harmonised Light vehicles Test Procedure. **NEDC - New European Driving Cycle. Information correct at time of going to print.
