- Understand the considerations in choosing the right mediator
- Learn a structured process for preparing yourself and your client for mediation
- understand the most common mistakes lawyers make before mediation
- know how to get the most value from your mediator
- have a plan to assist your client properly assess offers made at mediation

Nicole Davidson, Nicole Davidson Negotiation

Caveat litigation in practice

This seminar will take a practical approach to the topic by considering a number of common scenarios including:

- the purpose and function of a caveat;
- why file a caveat?;
- drafting caveats and PEXA;
- the process for removal of a caveat;
- application for withdrawal or issuing a lapsing notice?;
- identifying whether there is a caveatable interest;
- how should one approach the balance of convenience?;
- who bears the onus of proof?;
- drafting relief/orders;
- what evidence is usually required on such applications;
- compensation under s 74P – what is recoverable?;
- leave under s 74O;
- electronic lodgement of caveats and professional obligations.

Vikram Misra, Barrister
