Morning All...

Cast not a clout till May is out...

Easter only seemed like last weekend and here we are already at the first May Bank Holiday.

To those readers new to the world of Templeton **"Don't panic!!!"**... as always we are delivering every day over both bank holiday weekends with no minimum order. Our App, WhatsApp & Answerphone will be expecting you.

Ok, back to Easter for a minute...

Good Friday & the Saturday were a bit wet but the sun did us all proud for the rest of the weekend. The masses descended (most dressed accordingly) and by the volume of traffic and noise of the fills ringing around West Wales, they all appeared to have spent a bit of time & money in the pub, coffee shop, bar, restaurant.

I always regard Easter as a target to get ready for the season and a benchmark for the year ahead, Whitsun is when trade really comes to life.

Congratulations to The Atlantic Hotel, Tenby, the first 'WhatsApper' to spot Moto Moto in our last edition of Templeton Times and winning the March / April cases of wine, I hope it was well received. This month we are giving away two more cases so keep your eyes peeled and phone at the ready.

We have pages full of 'price buster' deals again with 24 packs of J2O from only £15.99 and 24x330ml Coca-Cola cans from only £10.49 a case. (Don't put them on your cash & carry shopping list WhatsApp us a message now).

Here's a tale for the bar or one for the pub quiz...

Monday June 15th is officially 'Beer Day Britain' to promote British Brewing Heritage and the role beer has played in British culture. Not grasping at straws but it's held on the 15th of June every year as this was the date the Magna Carta was sealed in 1215 and 'Article 35' has a reference to ale in it.

Like the swallows, a few familiar faces have arrived back with us again this year from school & Uni ready for the Summer Season and a big welcome to Steff the newest Warehouse Team Member, we hope you'll be with us for the foreseeable and all the keg rolling keeps you in shape for the Winter rugby season.

Ok...that's enough from me.

Hope you have a busy one and catch you all in the July / August edition.

P.S.. Apologies for the 'not funny' joke on the inside back page 😊

OF THE MONTH**

CAMRA NOTICE BOARD

CAMRA PEMBROKESHIRE

Pembrokeshire CAMRA, in line with CAMRA nationally, is moving to a new way of choosing pubs for our annual **Good Beer Guide**. In future, these will be based on beer scores submitted by CAMRA members via the CAMRA website when they visit a pub and drink a pint. These scores go on to the CAMRA National Beer Scoring System and from that reports are produced for Branches like ours ranking our pubs in order of average beer scores.

This year's winner is **Y Cross, Hayscastle Cross**, a local village pub which was saved by its locals and is now a friendly social hub at the heart of its community. Note that no pub can win this award two years running, so there is all to play for next year. Branch members vote for their Pub of the Year and the top entries are surveyed, unannounced, by Branch members before the final choice is made.

CAMRA BAE CEREDIGION

Members of Bae Ceredigion CAMRA selected the **Bottle & Barrel in Aberystwyth** as the branch's **pub of the year**. Branch chair John Gale presented the award to owner Zac Marsden and manager Paddy Dixon.

"The Bottle & Barrel has been listed in CAMRA's Good Beer Guide for several years," said John. "The extensive offer of cask and quality keg beers constantly changes so beer lovers can sample different styles from breweries near and far. The beers are served by a knowledgeable team and can be enjoyed in the bar's comfortable, contemporary surroundings."

CAMRA CARMARTHENSHIRE

At our late-March meeting, the county branch issued its Spring proclamation: to renew all efforts for the future of our town & country pubs. Carmarthenshire CAMRA Press Officer, Stuart Millson, said: "There is much doom and gloom about the state of the economy, and of the future of pubs. Some well-known places have, sadly, fallen by the wayside. But still so many watering holes are keeping their doors open and serving good local ale. By launching our campaign - **Your pub is the hub** - we will be encouraging local communities, groups and societies to use their local much more, for gatherings, branch meetings etc. We will soon have a leaflet ready for publicans and for customers, suggesting ways of reaching out and utilising pubs, much more than we do."

CAPE TOWN WINERY VISITS JANUARY 2026

(Much more than it says on the tin / label)...

I've learned lots of priceless lessons over the last 18 years since creating Templeton but the last 7 days of SA wine schooling has topped the lot...

Today's continuous news feeds fill human brains with whatever twaddle they are gullible enough to repeat...

One of my many mantras 'don't believe anything you hear & only half what you see' has almost lived up to its words this week...

Price VS Value is a constant battle....

The next time someone Boo-Hoo's a UK bottled Chenin Blanc or Pinotage they have obviously never followed the grapes journey through the farmer, winemaker & exporters hands...

I sampled our next shipment of Kraal Bay Chenin whilst sat in the dusty vineyard next to the vine it was picked from, then watching the UK destined ISO being filled with the finished product was priceless....

An eternal thank you for your mentorship Richard Addison The Wine Fusion Limited, Jeremy Platt Ffarm Vintners LTD & Charles Wharton Ellis Wharton Wines.

To enquire about a Wine Menu filled with wine straight from the Vineyard to our warehouse, please contact your sales representative today.

Until the next Negroni & Green Salad,
Cheers!

TEMPLETON TEASERS

JOKE OF THE MONTH!

Three opposing politicians met in a pub, to discuss how their individual election campaigns were going.

The first politician walked up to the bar & was confronted by eight almost identical lager pumps (The brewery rep hit her installation target).

The second politician walked in & looked at the prices on the bar tariff (Including VAT, duty, EPR tax, NLW, overhead contribution).

The third politician walked in hoping for a game of pool but noticed there were no balls on the table.

All three stood at the bar and protested to the landlord about the lack of choice, extortionate cost & no balls.

The landlord one by one stared them all straight in the eye & said "Now you know how we feel".
