Welcome from NMAA Executive Director

Sally Marquez
NMAA
Executive Director

As we reach the culmination of another regular season and celebrate the accomplishments of the student-athletes, coaches, and sports officials during the past several months, it is a great time to reflect upon the past season, revel in the excitement of postseason play and look forward to interscholastic athletics and activities in the future.

If you are reading this program, you are a part of the game. It might be because you are participating in it in some way, as part of a team, the officiating crew, or the event staff. It might be because someone you love is participating as an athlete, coach, or contest official this week. It might be because you want to support your community or your alma mater. It might simply be because you love high school sports and want to witness the thrill and purity of high school athletics. Regardless of your role, you are important in this landscape and are representing someone and something bigger than yourself.

We all hear a great deal about unsportsmanlike behavior during athletic events. By definition, “unsportsmanlike” is a term that is reserved for participants in a contest. However, we tend to group in boorish behavior of spectators as unsportsmanlike. In truth, what we see and hear in the stands can simply be termed as “bad behavior” – disrespectful, degrading, offensive, threatening, aggressive or otherwise negative. This behavior can be directed at opponents, coaches, and contest officials. When you are the one participating in this behavior, it does not just reflect poorly on you – it reflects on the very community you are representing and supporting. This behavior, that is posted, reposted, and shared on social media has all too often become the norm and it is up to every one of us to turn the tide.

In his book, *A Lifetime of Observations and Reflections On and Off the Court*, legendary basketball coach John Wooden wrote: “Some say I believe in old-fashioned traits: courtesy, politeness, and consideration. I do believe in these qualities, but they are not old-fashioned. They never go out of style – even when they seem to be increasingly scarce. I believe they are still common. We just see their opposites so much that we think that’s all there is. People like to help, to be polite, to be considerate. I believe it’s human nature. And it’s a funny thing: when you start displaying courtesy, politeness, and consideration, people start displaying then right back.”

The world of education-based athletics and athletics is an amazing laboratory for lifelong learning. It is not just in the academic classroom where we learn lessons and those lessons are not just reserved for student-athletes. This educational content extends to the stands of a game or event, wherein we all become teachers and simultaneously students. As fans of our classmates, family members, neighbors, schools, or communities, we should strive to get back to the old-fashioned traits Coach Wooden held in such high esteem.

While we too frequently see the opposite of these ideals on social media, it does not give anyone the proverbial green light to act in the same way. We need to positively represent the students, schools, and communities we support, and we need to positively represent ourselves. While we can learn a lot from the behavior of the people around us, we can also be the one who is the model of positivity for everyone else around us.

We are all in this together. Let’s enjoy the competition, positively cheer for our teams, and give the game the respect it deserves.

Alyana Cordova – Clovis High School

Activities Scholarship presented by Realty One of New Mexico and the NB3 Foundation

Alyana Cordova, a senior at Clovis High School, carries a 4.3 GPA, while participating on the Clovis dance team and the Concert Band. She also serves on the student council, holding the office of Student Body Secretary. Cordova has earned All-District and All-State honors as a member of the band. She is also involved in her local church as a Youth Leader.

Fredrick York – Fort Sumner High School

Activities Scholarship presented by Realty One of New Mexico and the NB3 Foundation

Fredrick York, a senior at Fort Sumner High School, is involved in Future Farmers of America (FFA), Business Professionals of America (BPA), and Student Council. York is also involved in the Nation Honor Society and is the Fort Sumner Yearbook Chief Photographer. York also plays in a co-ed volleyball league in Clovis.

Mackenzie Echave – Los Alamos High School

“Compete with Class” Sportmanship Scholarship presented by the NM National Guard

Mackenzie Echave is a senior at Los Alamos High School. She admits that she knows what it's like to feel both the thrill of victory and the agony of defeat. It was her empathy that drew the attention of others. In a quarterfinal playoff game against Goddard, Mackenzie's Hilltopper squad defeated the Rockets 2-1 in overtime. Mackenzie could see that the Goddard student athlete who gave up the winning goal was upset. Mackenzie went over to console the goalie of the losing team even before celebrating with her own team. It's acts of compassion like the one Mackenzie displayed that are an example of how to Compete with Class.

Elijah Lujan – Pecos High School

“Compete with Class” Sportmanship Scholarship presented by the NM National Guard

A matter of seconds can decide a winner in a race and sometimes small moments that only take a few seconds can last a lifetime. Elijah Lujan is a cross country runner at Pecos High School. The senior finished fifth at the State Championships last fall. Elijah was only 17 seconds behind the first person to cross the finish line, but it was the time he took after the race was complete that mattered most. During the awards ceremony, Elijah made sure to shake everyone's hand and congratulate every other team and runner that won before receiving his fifth-place medal. It's respect for his opponents that demonstrates why Elijah Lujan Competes with Class.

Robertson Wins 3A Boys Championship

BOYS CLASS 3A

The Robertson Cardinals beat rival St. Michael's 65-56 to win the Class 3A State Basketball Championship. It's the school's first boys basketball championship. The Robertson (23-6) roster is made up of several athletes who helped the Cardinals win a state football title in the fall. One of those athletes is senior Matthew Gonzales who led all scorers with 26 points, 20 of those in the second half. Mateo Contreras added 19 points and Bodie Schlinger had 10.

The Cardinals led wire to wire against district foe St. Michael's (16-15). First year head coach James Branch also won a state title with Questa in 1994. "Coach Branch came in and said, 'Our goal is to play in the Pit in March and get the blue trophy,'" said Gonzales. "We put trust in him since day one and he put his trust in us and the ultimate goal was to get here and we got it done."

Highland Back on Top After 50 Years

BOYS CLASS 4A

Highland High School won their first basketball state title in 1972 and 50 years later the Hornets added another blue trophy to the resume. The #1 Hornets beat Del Norte 76-59 to win the 2022 Class 4A State Championship.

Highland (26-3) was powered by 6'9" senior Jose Murillo who posted a line of 40 points and 20 rebounds. In four state tournament games, Murillo scored 143 points and pulled down 73 rebounds. Del Norte junior Shane Douma-Sanchez led all scorers with 36 points.

Volcano Vista Wraps Up Undefeated Season With Championship

In a matchup of two unbeaten teams, the 2022 Class 5A State Basketball Championship proved to be a classic that wouldn't be decided in four quarters. Number two Volcano Vista took down top seed Las Cruces 66-55 in overtime to win the state title and cap off an undefeated season. Volcano Vista (29-0) is the first large school boys team to post a perfect record since Hobbs did it in 1999.

The Volcano Vista girls basketball team capped off an undefeated season with a state title the night before, giving the school the distinction of being the first high school in New Mexico to have both their boys and girls post undefeated seasons.

Volcano Vista scored the first points of the game with an emphatic rebound-slam dunk by Sean Alter, who finished with 15 points, and the Hawks led for most of the game. The Hawks were up 42-32 in the fourth quarter, but Las Cruces fought back. The Bulldawgs (31-1) took the lead in the final minutes. With Las Cruces on top 49-47 in the closing seconds, Volcano Vista's Ja'Kwon Hill drove the lane and was fouled with 4 seconds left. Hill hit both free throws to force the game into overtime, as part of his team-leading 17 points. In the extra minutes, Jaden Malone scored the first five points to give the Hawks the lead for good as Volcano Vista outscored Las Cruces 17-6 in overtime. Senior guard Deuce Benjamin led the Bulldawgs with a game-high 27 points.

Fort Sumner/House Girls Capture 1A Title

GIRLS CLASS A

The Fort Sumner/House girls basketball team overcame some obstacles on their run through the Class 1A bracket, but when the buzzer sounded the Vixens lifted the championship trophy. Fort Sumner/House (21-4) beat Melrose in the title game 56-30 to claim the Class 1A State Title. It was the fourth meeting between these two rival schools.

Following the victory, head coach Ben Segura said his team's bus broke down and a player's luggage was stolen during the week. "This team has been through a lot," said Segura. "The fact we were able to come out and play our best game today, you can't beat that feeling."

Clayton Girls Basketball on Top
