Footprints On The Sands

Lives of great men all remind us
We can make our lives sublime,
And, departing leave behind us
Footprints on the sands of time;

Footprints that perhaps another,
Sailing o'er life's solemn main,
A forlorn and shipwrecked brother,
Seeing, shall take heart again.

Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait

Henry Wadsworth
Longfellow

[illegible]

It is our sincere desire to be able to follow in their footsteps. Because we take pride in their achievements we dedicate this 1955-1956 TOMAHAWK to the outstanding Cherokee Alumni.

Acknowledgments

We want to express our sincere appreciation to the following people:
