New Spirit sparked by Student Council . . .

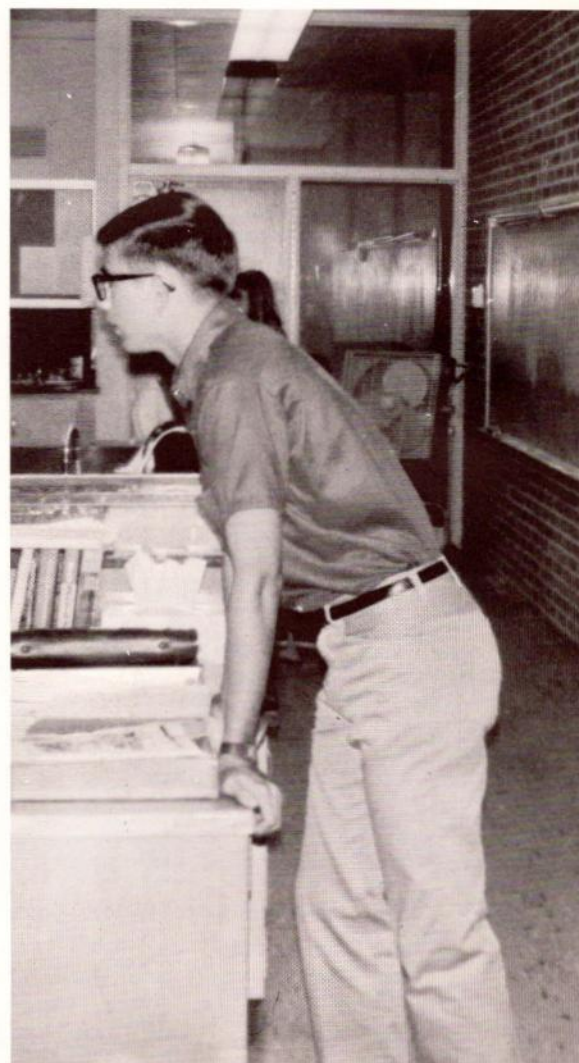

"Light" proved to be an appropriate theme, as it shown brightly in the faces of Student Council members under the leadership of President Rick Young.

Seventh grade handbooks, the school newspaper, door decoration contests, and Loyalty Day, were among the many activities sponsored by the Council which contributed to school spirit. Success was proved when delegates from the Junior Scott State Convention carried the banner for second place.

"Is there a book in there?" "Do you gotta gym bag?" were among the anxious questions answered by Student Council members who ran the "Lost and Found" each morning before school.

President . . .

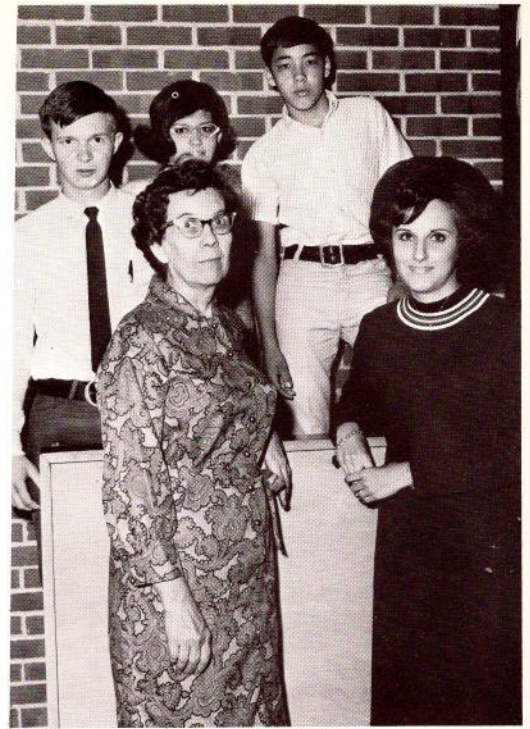

RICK YOUNG

“Helping others”, is Red Cross theme . . .

The tradition of helping those in need was upheld
by the Red Cross.

Canned foods, penny drive, and gift boxes to a
needy family were some activities by students and Rep-
resentatives in order to serve the school and the com-
munity.
