No part of this publication may be reproduced, in any form, or incorporated into any information retrieval systems without permission of the publisher.

Emergency Response Assistance Canada (ERAC) is a not-for-profit emergency preparedness and response organization that assists hundreds of oil and gas and transportation organizations requiring emergency response plans.

ERAC's services include:

- *Dangerous Goods Emergency Response Planning;*
- *ERAC Responder Training, Assessment and Approval;*
- *First Responder Training; and,*
- *24/7 Dangerous Goods Emergency Response.*

Our highly-trained and skilled responders, industry best practices and equipment, ensure we are well-prepared to safely address any flammable liquid or LPG incident in Canada at any time, while protecting people, property, and the environment.

NETZSCH Pumps

Your holistic solution provider for complex fluid handling

NEMO® Progressing Cavity Pumps,
TORNADO® Rotary Lobe Pump, **NOTOS®** Screw
Pumps or **PERIPRO™** Peristaltic Pumps
meet your requirements.

- Wide range of flow rates and pressures
- Proven dependability in the harshest conditions
- Low pulsation and steady flow directly proportional to speed
- Wide range of materials available

FORT MCKAY
FIRST NATION

FORT MCKAY
FIRST NATION

ESTABLISHED IN 2005

Located 54 Kilometers north of Fort McMurray, Fort McKay Caribou Energy Park is ideally situated to support the operation of various commercial industries supplying northern oil sands developments.

The purpose of this complex is to provide the necessary infrastructure for the development and operation of various commercial industries that will supply the Fort McMurray oil sands developments, as well as other local commercial interests, with required goods and services.

PARK FEATURES INCLUDE:

- Prominent Location
- Direct Access to Highway 63
- High-Speed Internet
- Lease and Build to Suit Options, short term leases, and storage options
- Office Buildings and Workshops
- Petro-Canada and 24H Cardlock
- Convenience store and A&W
- 24-hour Security
- Natural Gas and Electricity
- Semi-dedicated Helipad
- Open Lots Ready for Immediate Development
- Quick and efficient permit process

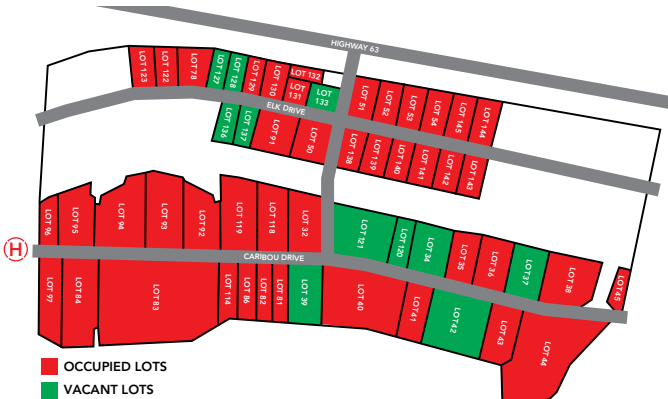

The purpose of this complex is to provide the necessary infrastructure for the development and operation of various commercial industries that will supply the Fort McMurray oil sands developments, as well as other local commercial interests, with required goods and services.

The spaces are perfect for office buildings, workshops, yards, and storage spaces.

PARK ADDITIONS:

- Paved main road
- 24-hour access
- Fire suppression systems
- Electrolyzed signage
- Security cameras
- Main road lighting

Fort McKay Caribou Energy Park prides itself on forging long-term collaborative relationships with our tenants, providing them with built environments that optimize productivity and maximize revenue for their business.

Simplify your business with the myWCB employer mobile app

In the field or on the go, conveniently manage your WCB account in the way that works best for your business.

The employer mobile app provides an easier way for you to:

- Report a workplace injury in fewer steps.
- Make payments and check your account balance.
- Request real-time clearance letters on your account.
- Update your account and coverage throughout the year.
- Connect with WCB by sending a message or requesting a callback.

If your worker gets hurt, the myWCB worker mobile app is here to help

The app saves your worker time so they can focus on their recovery.

The worker mobile app helps workers:

- Report their injury in fewer steps.
- Obtain return to work information.
- Submit expenses for reimbursement.
- Find physiotherapy and chiropractic providers and get treatment updates.
- Connect with WCB by sending a message or requesting a callback.

WCB's
**Train and
Place program**
opens doors

Our Train and Place TaP program

is perfect for employers who consistently seek workers with specific skills for their particular industry.

WCB helps by:

- Developing a suitable training program to meet your hiring needs.
- Pre-screening potential training candidates.
- Providing subsidy for wages and accident protection during the TOJ period.
- Supporting employers every step of the way through the TOJ process.

Contact us today to see how the TaP program can work for you.

Emergency Response Assistance Canada (ERAC) is a not-for-profit emergency preparedness and response organization that assists hundreds of oil and gas and transportation organizations requiring emergency response plans.

ERAC's services include:

- *Dangerous Goods Emergency Response Planning;*
- *ERAC Responder Training, Assessment and Approval;*
- *First Responder Training; and,*
- *24/7 Dangerous Goods Emergency Response.*

Our highly-trained and skilled responders, industry best practices and equipment, ensure we are well-prepared to safely address any flammable liquid or LPG incident in Canada at any time, while protecting people, property, and the environment.

DISTRIBUTOR OF MACHINE TOOLS SERVICING MACHINE SHOPS

*We are capable of sourcing Chucks,
Jaws, and a wide range of machine tools
for a variety of industrial jobs.*

Abrasives, Marking & Stamping

- Abrasives • Stamping equipment • Marking equipment
- De-burring • Polishing • Grinding

Tooling

- Carbide inserts • Cutting tools
- Lubricants • Band saw blades
- Metalworking fluids

Measuring & Gaging Tools

- Micrometres • Callipers
- Hardness testers • Bore gages
- Testing & measuring equipment

Established in 1999, Can Star Industrial has been a proud distributor of machine tools to machine shops throughout Western Canada. In September 2016, CRC Wellhead Supply Co Ltd purchased the assets of Can Star and continued its legacy of the previous 17 years. Can Star has a strong commitment to customer service and has the product knowledge to provide its customers with first class service and expertise.

Can Star has a wide range of tooling, machining supplies and accessories available from an extensive list of manufacturers. We can find what you need and get it to your shop when you need it.

SAFE-T-WHIP

Phone: 587-495-0062

Website: www.safetwhip.com

A CANADIAN ENGINEERED RESTRAINT SYSTEM FOR TEMPORARY PIPING

Safe-T-Whip™ provides a wide range of restraints for all applications, determined by size of pipe and amount of pressure that is being secured.

Lightweight and temporary end-to-end restraint system, designed to decrease uncontrolled movement in the event of a catastrophic failure.

Safe-T-Whip™ is designed, made, and tested in Canada for a variety of conditions.

IT'S ABOUT TIME **JACK!**

Jack knows time is money

**PAYS FOR ITSELF
- 4 WEEKS**

The increase in oil/gas production is immediately measureable not only in time, but real dollars.

**INSTALLATION
- 1 DAY**

It only takes a few hours to have your compressor up and running, practically eliminating production downtime.

**YOUR TIME
- ZERO**

Our safety qualified installers will perform maintenance checks when required, onsite, saving you the trip in.

Website: www.safetwhip.com

A CANADIAN ENGINEERED RESTRAINT SYSTEM FOR TEMPORARY PIPING

Safe-T-Whip™ provides a wide range of restraints for all applications, determined by size of pipe and amount of pressure that is being secured.

Lightweight and temporary end-to-end restraint system, designed to decrease uncontrolled movement in the event of a catastrophic failure.

Safe-T-Whip™ is designed, made, and tested in Canada for a variety of conditions.

Experience Built In.

From concept to completion, fast and efficiently.

1-800-665-0470

www.goodon.com

Goodon Industries pioneered post frame construction in Western Canada in 1967. Efficient to build, exceptionally strong, and virtually maintenance free. Designed for every application and built for a lifetime, join the Goodon Family today.

The banner features a stylized logo on the left consisting of a blue water drop shape containing an orange and blue mountain range. To the right of the logo, the text "PEACE REGION ENERGY SHOW" is written in a bold, dark blue, sans-serif font. Below this, the dates "MAY 15-16, 2024" are displayed in a very large, bold, dark blue font. Underneath the dates, the location "Evergreen Park, Grande Prairie" is written in a smaller, dark blue font. At the bottom left, the website "prenergy.ca" is listed in bold, followed by the text "or contact the Grande Prairie & District Chamber of Commerce by phone: (780) 532-5340 or email: janice@gpchamber.com". On the right side of the banner, there is a vertical graphic element resembling a stylized oil rig or wellhead, with orange and grey components.
