Dear John,

It's hard to believe that we have been married for 3 whole decades! I am so thankful that I found you many years ago in high school and since then you have been my best friend. I love how you love me and how you love our kids and I have learned a lot from watching how you lift others up, gently, kindly, and humbly, showing the love of Christ to everyone you meet. We all forget to show just how much we appreciate all you do and I hope you will be able to see from the many messages that you are indeed a rare gem. God bless the day we met. Happy Birthday darling.

I love you dearly,  
Susie

John,

My favorite bro! Happy Birthday to you! It's hard to believe that you are turning 50! I remember the day Dad & Mom brought you home from the hospital like it was yesterday. I have enjoyed every moment we have had together and I am glad that you are my brother. You have grown up to be a great man with a good heart and I hope when I grow up I can be like you! I can't wait to see what else God has in store for you. I am very proud of you and I love you very much

With love from,  
Matt

Dear Uncle John,

Happy birthday to my favorite Uncle! I am so thankful for all the time we spent together playing basketball, watching sports, and eating! I wish you still lived here but I'm glad I get to spend my summer vacations with you. You are the best uncle ever!

With love from,  
Tom
