All other registrations will need to request a "medication waiver" from the office

or download one from the website under 'forms'.

**Epinephrine injection devices such as an EpiPen Auto-Injector will be administered in the event of a very serious allergic reaction in conjunction with a current PRN "medication waiver" on file.

Alcohol, Tobacco, & Cannabis: All IRVSRA events/programs are alcohol, tobacco, vape, and cannabis free. There is no substance use while participants are in our direct care. Special Olympics Illinois also has a similar policy for its athletes. There is no alcohol/tobacco usage allowed at SOILL sanctioned events, practices, or tournaments.

ATHLETE SUPERVISION POLICY

1. Practices: All athletes under the age of 21 are required to have a parent or legal guardian present at all practices.

A parent/guardian may remain in the parking lot; however, they must stay on or near the premises for the duration of practice.

2. Games and Competitions: A parent or legal guardian must be present at all games and competitions for athletes under the age of 21.

This requirement is especially applicable to all out-of-town events.

3. Purpose: This policy ensures that each athlete has a responsible adult available to provide supervision, administer medication if needed, and assist in the event of an emergency.

Coaches and staff will therefore be able to devote their attention to instruction, safety, and observation.

4. Overnight Travel: For all overnight athletic trips (including games, tournaments, and competitions), athletes under the age of 26 must be accompanied by a parent or legal guardian.

REFUND POLICY

Full Refunds: A pre-registered participant must contact the IRVSRA office via phone or email requesting to drop from the program prior to that program's registration deadline to receive a full refund. Programs and activities with an unspecified deadline will have a deadline of 11:59pm on the Thursday prior to the event date.

Partial Refunds: A case by case basis - If a program is dropped past the registration deadline but prior to the event, IRVSRA has the right, but no obligation, to issue a partial refund of the registration fee minus the direct costs already accumulated due to planning for said participants' anticipated presence (ie: tickets, staffing ratios, supplies).

No Refunds: Refunds will NOT be issued for 'no-shows'. Forgetting to attend does not constitute a drop for refund. We will take partial refunds into consideration due to illness with a Dr's Note or extreme family hardships such as death.

Refund Methods: All refunds will be issued in the form of credits to the individual's account to be used at a later date, unless otherwise directly requested. Other methods requestable are: Check or return to Credit/Debit Card. Cash refunds will not be issued under any circumstance.

CANCELLATION NOTIFICATIONS:

Email: Registered participants will receive an email/text notification.

Facebook: Our page posts will reflect any updates and changes.

INCLUSIVE PARK PROGRAMS

IRVSRA recognizes that every individual with special needs and abilities does not always require a IRVSRA program. IRVSRA also can provide inclusion assistance with staffing and instructor needs outside of the standard ratio policies for any park program at Pekin and Fon du Lac Park Districts. IRVSRA staff can contact the appropriate Pekin Park or Fon du Lac Park District recreation department staff or you may have the recreation department contact IRVSRA. IRVSRA will work with the program's manager to make reasonable accommodations to assure the participant has a smooth transition if they wish to be integrated into a standard recreation department program.
