Welcome to **TARPON SPRINGS**

On behalf of the Tarpon Springs Chamber of Commerce, I welcome you to our fine City!

Once known as the "Venice of the South," Tarpon Springs was named for the abundant fish found off its coast and is hailed as the "Sponge Capital of the World." The oldest town in Pinellas County, Tarpon Springs is located along the Anclote River where it intersects with the Gulf of Mexico.

Past Indian history in this beautiful coastal community dates back to the 1800s with the arrival of the first settlers. Soon after, the advent of the railroad and the building of the Anclote Key Lighthouse brought many positive changes to the area; wealthy Northerners flocked here creating a winter haven, while numerous fishing vessels navigated city waters. Industrious entrepreneurs improved the city's economy and reputation with the harvesting of sponges. The Greek immigrants, who came to the area to continue their traditional trade of sponge diving, greatly enriched the city's cultural composition with their customs and families.

In 2018 we were awarded "The Best Historic Small Town in America" by USA Today. Our population of approximately 25,000 makes us a fun and affordable area to dive into our nation's past. We have boat tours and walking tours, guided or self-guided, to take you on this journey.

We are proud to promote our businesses and community to our members, local residents, and visitors to our area. This copy of our Visitor and Relocation Guide will give you an overview of our very special community. The diverse culture, family-owned businesses, active art community, and miles of waterfront are all valuable treasures we enjoy on a daily basis. Please take time to visit our website, www.tarponspringschamber.org, for even more information about our truly unique little city.

YES...WE DO LIVE IN PARADISE!

Enjoy your stay...however long it might be,

ABOUT TARPON SPRINGS

The pleasant year-round climate draws people to the area for boating, fishing, swimming, golf and other activities. There are many local parks where you can enjoy nature at its finest. If shopping is your passion, you can find anything from Greek curios to antiques in the downtown district and on the popular Sponge Docks. You can savor a variety of cuisine, such as authentic Greek dishes and other ethnic favorites, fresh seafood caught in local waters and scrumptious desserts. Culture and history buffs will enjoy the many opportunities the city has to offer. You can attend plays, concerts and other productions at the Performing Arts Center. Several museums house displays of historic artifacts as well as art.

THE SPONGE CAPITAL OF THE WORLD

The founding of the commercial sponge industry in 1886 changed Tarpon Springs forever. The sponge beds were discovered accidentally in 1873 by Key West turtle fishermen whose nets were fouled by sponges off the mouth of the Anclote River. John Cheyney, a Tarpon Springs businessman, opened the Anclote River and Rock Island Sponge Company in 1886. By 1890 Tarpon Springs was a market for Gulf sponges. It was, however, Greek immigrants who expanded and refined sponging in Tarpon Springs. John Cocoris, who arrived in 1896 as a sponge buyer for a New York firm, was responsible for the Greek involvement. He was hired by Cheyney in 1897. Cocoris soon brought over his two brothers and, by 1905, they raised enough money to bring a sponge boat crew and diving equipment from Greece. By the end of that year, 500 Greeks arrived to work in the sponge industry—an enormous population increase in a town of only a few hundred year-round residents.

DISCOVER TREASURES ON THE SPONGE DOCKS

The Tarpon Springs Sponge Dock area offers a wide variety of services that can help you explore the area's natural environment. Several marinas serve the needs of boaters with maintenance, fuel, boat storage, docking and rentals. The City operates its own marina with prime boat slips. Multiple boats offer group deep sea fishing charters as well as private charters. Scuba charters and rentals are also available. If you're looking for a guided ecological education, tours range from a sponge diving exhibition boat ride to eco-nature tours of the river, bayous and Gulf of Mexico. A local aquarium offers you a chance to view sharks and alligators close up and hand-feed stingrays.

GREEK CULTURE

No other city in the United States has a higher percentage of residents of Greek heritage than Tarpon Springs. An array of everyday activities and special events exemplify this rich culture. It is expressed in the sponge docks, Greektown, St. Nicholas Cathedral, occupations, music and dance, social organizations, family values and religious practices. The Greek Orthodox Church plays a pivotal role in the community by sustaining religious traditions. Whether expressed through iconography, architecture, chanting, vestments, or ritual, beauty in the expression of the divine is an important aspect of the religion. The Greek community has kept alive its rich variety of native music – traditional and popular, much of which can be heard in the local bistros and at the festivals held throughout the year. Both classical (Byzantine chanting) and folk, which varies regionally in style and instrumentation, make up the traditional styles. Today's popular music reflects influences from Europe and America.

TARPON SPRINGS' EPIPHANY CELEBRATION

The Greek Orthodox Church celebrates Epiphany on January 6th of each year in remembrance of the baptism of Jesus Christ over 2000 years ago. Following tradition, the Tarpon Springs' Greek community celebrates Christ's baptism with sanctification of the waters and the immersion of the cross in Spring Bayou each year. Each January 6th, the entire city is covered with banners representing the baptism of Christ and other Christian scenes. The town is alive with activity not only downtown, but also on the waterfront, where the entire sponge fleet is anchored in line—many of them painted in white and blue, symbolic of Greece, and many flying Greek and American flags. St. Nicholas Greek Orthodox Church starts the festivities of the day with a sunrise service at 8:00 am. followed by a very large processional to Spring Bayou with members and dignitaries of the church and local community. Once the procession has arrived at the bayou, the Archbishop stands on a platform near the center of the bayou, so that every person hears him bless the waters and watch as a white dove is released, symbolizing the Holy Ghost. The Archbishop then throws a specially crafted wooden cross into the water and dozens of young boys dive into the water to swim, wrestle and churn the water in search of the cross. The throwing of the cross symbolizes casting of the bread of truth upon the troubled world. The plunging of the young boys into the water signifies the immersion of Christ into the River Jordan. According to Greek custom, whoever retrieves the cross will have blessings for the year and divine beneficence. After the ceremony, the procession returns to the church, where bottles of blessed holy water are distributed to the faithful, so that they can bless their homes with it. The successful diver, along with the rest of the boys, makes Epiphany rounds in the community, visiting businesses while singing religious hymns, to end up at the Epiphany Glendi – a daylong dinner and dance at the parish grounds.

DIVE INTO **GREAT** CUISINE

Tarpon Springs has a variety of cuisine choices to satisfy any gourmand's taste buds. You can enjoy the best Greek food outside of Athens and sample one of the local specialties – Greek Potato Salad. To finish off your meal you don't want to pass up the fabulous assortment of desserts.

Tarpon Springs is quickly becoming a “foodie” destination with many restaurants and breweries. A variety of ethnic and traditional cuisines can be found in the Downtown, the Sponge Docks, and on Rt. 19 corridor. Many are chef-owned and serve everything for the palate from Seafood, Steaks, French, Mediterranean, Greek, Sushi, Creole, and others. Here’s our recommended list of Chamber member restaurants:

COME FOR A VISIT

STAY FOR A LIFETIME

Tarpon Springs is not just a great place to visit, but also a wonderful locale to put down permanent roots. First-class health care facilities, excellent educational institutions and our close proximity to the Tampa/St. Petersburg metropolitan area make this an ideal location for career-minded people, families and retirees. Housing choices include single family homes, townhomes, condominiums, villas and mobile homes. There are also apartments available for those who prefer to rent.

“Tarpon Springs, a popular tourist destination for many years, has now become the ‘perfect’ home to many people relocating to West Florida,” says Marcus Howard of RealNet Brokerage. “With demand for our beautiful homes, the best golf courses and beaches—and with interest rates still at a 30-year low, Tarpon Springs continues to grow and prosper.”

“The real estate market has been very active in Tarpon Springs and is currently a ‘seller’s market,” says Kim Adams with ReMax Elite.

“The most sought after home is a move-in ready residential home with a pool, three bedrooms, two baths and a two-car garage. We see a wide range of people from all age groups and ethnicities wanting to live in Tarpon Springs because we have so many beautiful parks and beaches and offer a quaint, small-town feel. The abundance of community events and festivals, safe neighborhoods, good schools, unique shops and restaurants as well as the Pinellas Trail, make this affordable part of the country a dream come true for new residents.”

“Tarpon Springs is experiencing exciting new growth,” says Roger Fruits of Homefront Realty. “Entrepreneurs are refurbishing old buildings and opening trendy shops, unique eateries and music venues in the downtown area. With an increasing number of festivals, arts and crafts shows and being located minutes to two beautiful beaches, sales of single family homes and condos are steady and still affordable, attracting both families and seniors to this charming city by the Gulf.”

Located along the Anclote River where it intersects the Gulf of Mexico, Tarpon Springs is a rich mixture of culture, customs, and families. Its waterfront is a working seaport and shopping district with the unmistakable feel of a Grecian fishing village. Its downtown is a showcase of proud historic buildings and homes from the gracious Victorian era. It's an unlikely blend of histories, and one you'll find only in Tarpon Springs, Pinellas County's oldest city.

Past Indian history in this beautiful coastal community predates the arrival of the first settlers in the early 1800's. Soon after, the advent of the railroad and the building of the Anclote Key Lighthouse brought many positive changes to the area. The town's Victorian influences stem from the late 1800's to about 1905, when the seaside village became a playground for wealthy Northerners. These seasonal residents built luxurious estates along Spring Bayou. Soon Tarpon Springs gained fame as one of the great health centers and winter resorts of the time.

Rich sponge beds, discovered in the 1880's, spawned a flourishing new industry. In 1905, young sponge divers were recruited from the Dodecanese Islands of Greece. The sponge industry thrived, as did the Greek community, and the town's focus changed. Some of the Greek immigrants who came to the area continue their traditional trade of sponge diving. Today Tarpon Springs is a showcase of both cultures, from its vintage Victorian era mansions and buildings to its lively Greek traditions and community.

Experience the flavor of Greece and the excitement of an authentic working waterfront on the Sponge Docks. Visit authentic Greek restaurants and bakeries, sponge diving and sightseeing tour boats, unique shops, antique shops and art galleries, and the St. Nicholas Greek Orthodox Cathedral, home of the largest Epiphany celebration in the Western Hemisphere – **No Passport Required!**
