

Small wheels.  
Big adventures.

**SWING FIX**

**IKONKA**

Who are we?

Swing Fix is a brand of modern wiggle ride-on toys that combines functionality, attractive design, and proven solutions. Created to encourage active play, it offers products that bring children joy through movement while providing business partners with a compelling product range built on quality, variety, and strong brand recognition. Swing Fix is a brand designed to support sales and build long-term customer trust.
