### CELLUMA ELITE LED LIGHT THERAPY

Restore vitality with the use of therapeutic light energy. Clinically proven to accelerate the repair and replenishment of damaged skin cells, as well as stimulate the production of collagen – the foundation of healthy, smooth skin.

Celluma light therapy improves cellular health to restore your skin's vitality and glow. It is also effective in treating superficial hyperpigmentation.

The treatment is for all skin types, and is non-ablative, non-invasive, painless, and requires absolutely no downtime.

LED PHOTOTHERAPY FACIAL (40 MINS)      £59

ADD ON TO ANY FACIAL (20 MINS)      £25

CELLUMA PRODUCTS ARE FDA CLEARED\* FOR PAIN MANAGEMENT AND SKIN CONDITIONS. CELLUMA USES LIGHT ENERGY TO IMPROVE CELLULAR HEALTH BY ACCELERATING THE REPAIR AND REPLENISHMENT OF COMPROMISED TISSUE CELLS.

# RF SKIN TIGHTENING

Ultimate Skin Tightening & Rejuvenation

Experience the ultimate in skin rejuvenation with the Dermattherm RF Trio Treatment – a cutting-edge, non-invasive therapy designed to tighten, firm, and revitalise ageing skin. This advanced treatment combines three powerful technologies for immediate, visible results and long-term skin benefits.

- Radio Frequency (RF) Technology:** Stimulates collagen production and tightens elastin fibers for firmer, youthful-looking skin with gentle heat energy.
- Polychromatic Light Therapy:** Targets multiple skin concerns by using specific light wavelengths to reduce pigmentation, redness, and uneven skin tone.
- Mechanical Lymphatic Drainage:** Detoxifies and reduces puffiness by stimulating lymphatic flow, leaving your skin smoother and more sculpted.
