DEKOH

FURNITURE

With Dekoh by Somerlanne, you will discover a unique selection of indoor and outdoor furniture that reflects our commitment to elegant design, superior quality, and understated luxury.

Each piece has been carefully selected and designed to enhance the most distinguished spaces, offering not only functionality but also an unrivaled style that transforms any setting into an experience of sophistication.

We have organized our collection into four main categories that encompass the key areas of any home or entertainment space. From the warm and inviting Living Room—where every element encourages interaction—to the refined and functional Dining Room, conceived for sharing memorable moments around the table. We also explore the serenity and comfort of the Night Collection—a personal sanctuary for rest—and the Outdoors, which brings luxury and

comfort to open-air spaces, creating perfect settings for enjoying nature.

Our furniture repertoire extends far beyond the selection presented here, offering an even broader range of options to meet the needs of the most sophisticated spaces. At Dekoh by Somerlanne, we are constantly expanding our collection to provide you with the ultimate experience, always prioritizing design and quality.
