This 44mm watch with a brushed Steel case features a white dial with luminous Arabic numerals and hour markers. It has a hollowed chronograph minutes counter at 3 o'clock and small seconds counter at 9 o'clock. It includes central chronograph seconds hands and the Tachymeter scale in the external "rehaut". The timepiece is powered by an automatic mechanical movement with a 42 hour power reserve and is set on a black alligator strap.

PANERAI

PANERAI SUBMERSIBILE QUARANTAQUATTRO

Submersible, the sea spirit of Panerai, adventurous explorer natural playground. Bold design, high-tech materials, strong water resistance, with unidirectional rotating bezel. This 44mm watch with brushed steel case has a black dial with luminous hour markers and dots has the date at 3 o'clock, small seconds at 9 o'clock. It is powered by an automatic mechanical movement with a 3 day power reserve. The timepiece is set on a rubber strap and is water resistant up to 300m.

PANERAI

PANERAI LUMINOR DUE LUNA

The Luminor dial design is very minimalist with large Arabic numerals at the four cardinal points and hour markers filled with luminous material. This ladies watch with 38mm polished steel case has a white sun-brushed dial that includes moon phases at 3 o'clock and a small seconds indicator at 9 o'clock. It is powered by a Swiss automatic mechanical movement and has a 3 day power reserve. It is set on a stainless steel bracelet and is water resistant up to 50m.

PANERAI

PANERAI SUBMERSIBLE

This Men's watch with a 42mm brushed steel case features a blue sun-brushed dial with luminous hour markers and dots that show the date at 3 o'clock and small seconds at 9 o'clock. The Unidirectional Rotating Bezel is a highlight of the Submersible. This crucial function allows divers to use Submersible watches to calculate their dive's duration. Rotating in only one direction with clicks of one minute, the bezel avoids shocks that could misinform the reading. Powered by automatic mechanical movement, it has a power reserve of 3 days and is set on a stainless steel bracelet. It is water resistant up to 300m.
