WORLD OF
CHRISTMAS

Welcome to the 2025 Catalogue by World of Christmas — India's largest destination for festive décor. This collection brings together an extensive range of products, from statement-making displays and lighting solutions to elegant accents that complete the holiday look.

At World of Christmas, we understand that décor is more than decoration — it's an experience. Our catalogue is designed to help brands, malls, hotels, and communities create moments that attract, engage, and delight. Whether it's an immersive installation, a photo-worthy display, or a simple yet striking detail, each piece has been curated to transform spaces during the festive season.

This year's edition highlights both our best-loved classics and new introductions, blending innovation with tradition. From self-standing units and larger-than-life elements to versatile lighting and tabletop décor, the range adapts to spaces of every size and scale.

As India's trusted partner for Christmas décor, we are proud to work with leading businesses and organisations across the country. Our mission is to bring the magic of Christmas alive with creativity, quality, and attention to detail.

We invite you to explore the pages ahead, discover ideas that inspire, and find décor that makes every celebration unforgettable.

CHRISTMAS TREES

Few things say
Christmas like a tree.
Wherever it stands, it
draws people together
to pause, connect and
celebrate.

THE RIGHT TREE CREATES:

- A centrepiece that sets the mood
- Photo moments that spark buzz
- Styling that reflects your brand

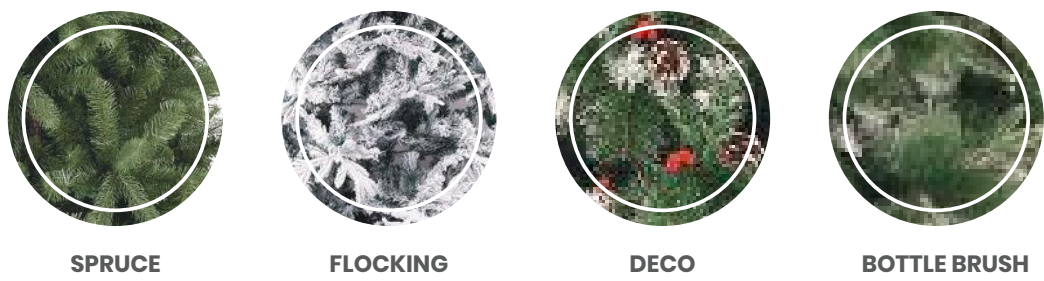

Choosing the Right Size

The right size tree creates balance, presence and the perfect festive look.

Selecting the right height ensures your tree complements the space beautifully while still making a striking festive statement.

TYPES OF BRANCHES

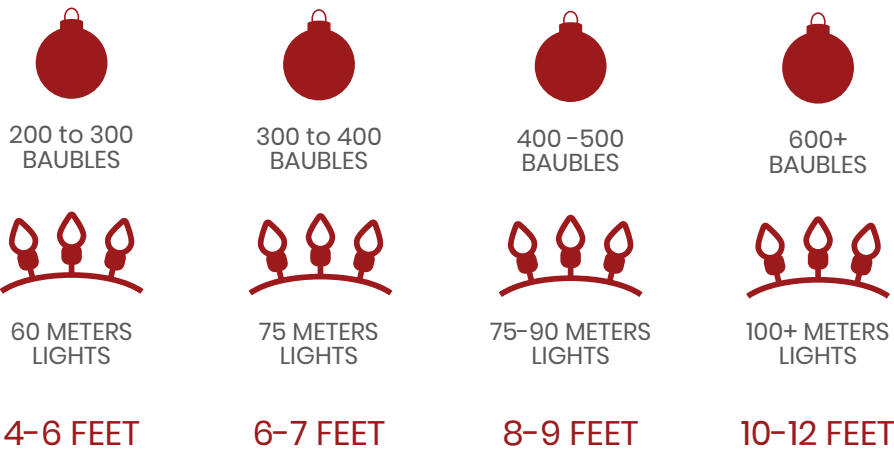

Tree Types

From classic full trees to slim and specialty designs, each style creates a distinct festive impact.

Lights & Ornaments Guide

HOW MANY LIGHTS & BAUBLES DO YOU NEED?

Pink & Gold

The Pink and Gold tree adds a modern, playful twist to classic décor. Its mix of soft and bright tones creates a joyful, eye-catching display. **We've listed key items from our catalogue** to help you style this tree with ease.

CHRISTMAS ENTRANCES

A decorated entrance attracts footfall, encourages photo opportunities, and builds brand recall by showing attention to detail.

The entrance is the first impression of any festive space. From archways and wreaths to nutcrackers and reindeer, every detail works together to create a warm welcome.

GREEN ARCHWAY

A green archway instantly lifts the look of an entrance. Its natural foliage brings freshness and warmth, while lights and ornaments can be added to match your festive theme. Perfect for creating a welcoming first impression, it turns any doorway into a moment of celebration.

GINGERBREAD COLLECTION

Beloved by families and children, gingerbread décor is a crowd favorite for malls and public spaces. It invites interaction, sparks joy, and becomes a go-to spot for photos and festive memories.

The Gingerbread Collection brings a playful, storybook charm to festive settings. With candy canes, cottages, sleighs, and cookie figures, it creates a whimsical world that instantly warms up any space.

GINGERBREAD SETUP

GNBR 013

Crafted in durable fiberglass with sturdy aluminum structures, our self-standing gingerbread pieces are designed for easy placement and long-lasting use. Lightweight yet stable, they're simple to move, versatile to style, and add a professional finish to festive setups of any scale.

CURTAIN LIGHTS

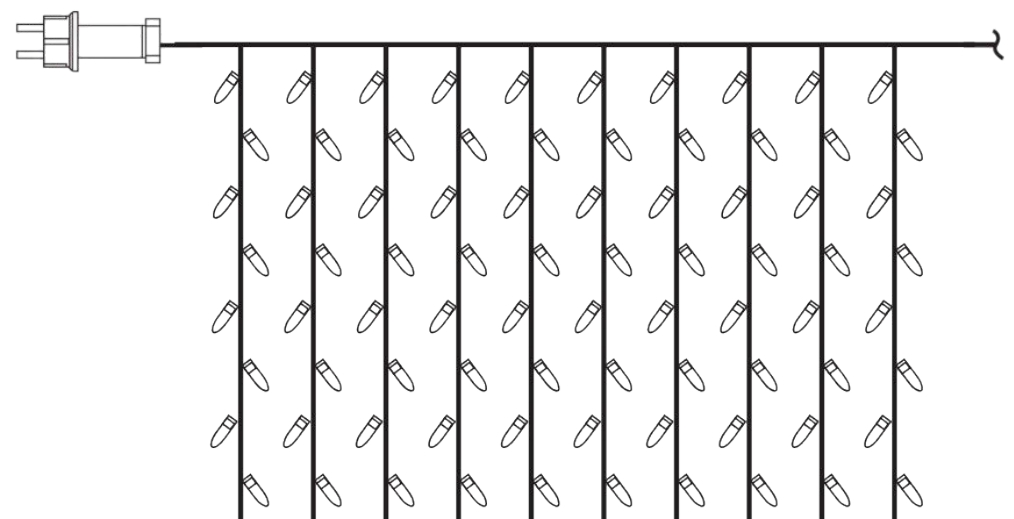

KNOW YOUR LIGHTS

Curtain lights are a simple way to add festive sparkle to large surfaces and open spaces. Perfect for façades, entrances, stage backdrops, and events, they create an instant impact with their cascading glow. Easy to install and versatile, they can be used both indoors and outdoors to set the festive mood.

At Surreal Lights, every product is designed with safety and durability at its core. Crafted with advanced technology and premium materials, our lights meet international standards—offering brilliance, reliability, and peace of mind.

- **Length:** 1.5 M x 2 M
- **Led Spacing:** 10 CM
- **Voltage:** 230 V
- **Transparent** *high quality PVC cables*
- **Colours:** Warm White with Warm White flash / White with White flash

FEATURES & USES

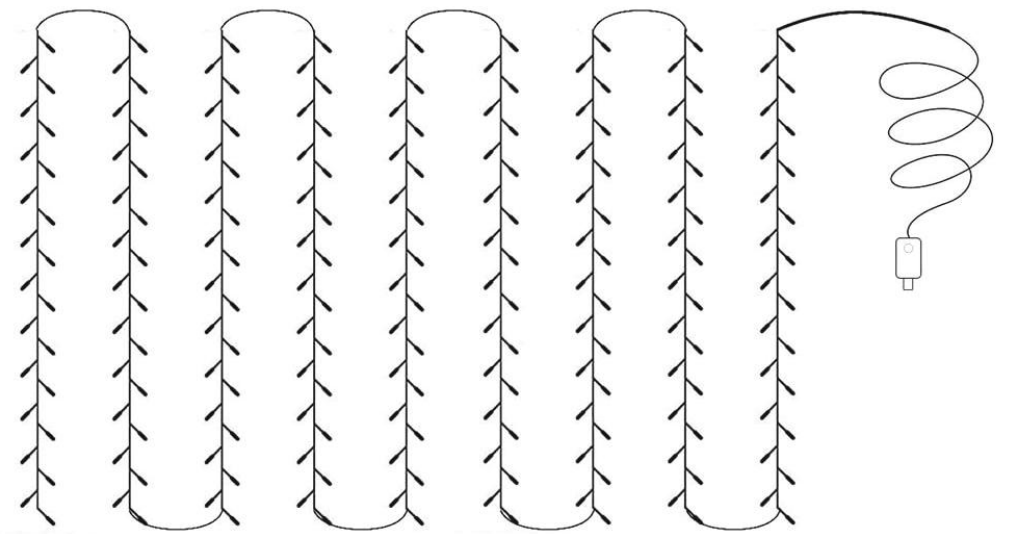

1. Creates a cascading wall of light for dramatic effect.
2. Ideal for façades, shopfronts, atriums, and event spaces.
3. Easy to install, connect, and extend for larger setups.
4. Suitable for both indoor and outdoor use.

STRING LIGHTS

KNOW YOUR LIGHTS

String lights are a timeless choice for festive décor, offering flexibility to wrap trees, outline buildings, or create glowing backdrops. Their simple design and high brightness make them ideal for both subtle accents and large-scale displays.

At Surreal Lights, our string lights are built with durable materials and international safety standards in mind. Easy to install and extend, they deliver consistent brilliance for both indoor and outdoor use.

- **Length:** 10 m
- **Led Spacing:** 10 cm
- **Voltage:** 230 V
- **Transparent high quality PVC cables**
- **Colours:** White / Warm White / Red

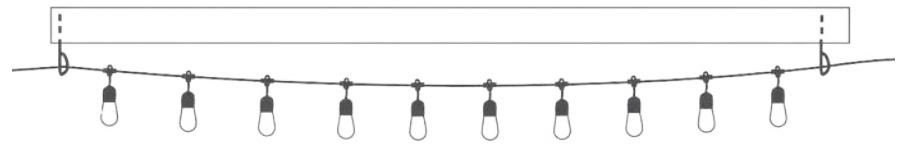

FEATURES & USES

1. Perfect for wrapping trees, railings, and structures
2. Works well for outlining façades or highlighting key areas
3. Flexible, extendable, and available in multiple colours
4. Suitable for both small-scale accents and grand displays
5. Built for safe use indoors and outdoors

BULB LIGHTS

KNOW YOUR LIGHTS

Bulb lights are a classic choice for festive décor, combining simplicity with high visibility. They're perfect for outlining rooftops, facades, and railings, or for adding a warm glow to large-scale displays.

- **Length:** 12 m
- **Led Spacing:** 30–40 cm
- **Voltage:** 240 V
- **Transparent** high quality PVC cables
- **Colours:** Warm White / White

FEATURES & USES

1. Great for outlining facades, rooftops, and signage
2. Creates high-impact festive ambience
3. Durable, weather-resistant design
4. Suitable for both small and large installations
5. Built for safe indoor and outdoor use

ROPE LIGHTS

KNOW YOUR LIGHTS

Rope lights offer flexibility and a seamless glow, making them ideal for outlining edges, pathways, or building contours. Their durability and easy installation make them a favourite for both creative accents and bold displays.

- **Length:** Customizable
- **Cutting Unit:** Variable by model
- **Voltage:** 230 V (options)
- **Transparent, high-quality PVC casing**
- **Colours:** Warm White / White

FEATURES & USES

1. Flexible design for curves, corners, and architectural details
2. Perfect for highlighting pathways, edges, and outlines
3. Uniform glow with a variety of colour options
4. Extendable and easy to install
5. Built for safe use indoors and outdoors
