Frozen Traditional Delicacies

"Kueh"

"From Our Heritage To Yours"

Lek Lim Nonya Cake is a traditional Singaporean confectioner known for its delicious handcrafted cakes called kueh.

Started in 1968 at Kampong Chai Chee, Singapore.

The business grew over the years, and we moved to Bedok North, which has a full-fledged kitchen and retail business.

We strive to keep the Nonya heritage alive and well recognised by sharing our Nonya delicacies with everyone around the world

Today, we continue to preserve the recipes and techniques of our Strait-Chinese founders, combining the latest food technologies for everyone around the world to enjoy - a recipe unchanged since 1968.

We are now one of the largest, else the only nonya kueh manufacturer that does many different frozen kueh today.
