CALENDAR GIRLS THE MUSICAL

A musical by Gary Barlow and Tim Firth

Originally produced by David Pugh & Dafydd Rogers and The Shubert Organisation

Based on the play *Calendar Girls* written by Tim Firth and on the motion picture

Calendar Girls written by Tim Firth and Juliette Towhidi

Calendar Girls the Musical is presented by arrangement with Concord Theatricals Ltd

Mark your calendars – the award-winning musical is coming to Ipswich!

The death of a much-loved husband prompts a group of ordinary women in a small Yorkshire Women's Institute to do something extraordinary: create a nude calendar to raise money for charity.

News spreads fast in their community and none of them expect the emotional and personal repercussions, but gradually the making of the fabulous and funny calendar brings each woman unexpectedly into bloom.

The true story of the *Calendar Girls* launched a global phenomenon, a million copycat calendars, a record-breaking movie, a West End play and now an award-winning musical written by Gary Barlow and Tim Firth.

Packed full of unforgettable songs, every performance continues to prove that there is no such thing as an ordinary woman.

Content Advice: Contains strong language, brief nudity, themes of illness, grief and death.

Powerful performances, a haunting soundscape and innovative design combine to bring to life this timeless gothic thriller in an exhilarating theatrical experience.

The time is 1897. Mankind is on the cusp of vast technological change, scientific mastery and media innovation. But poised between traditional beliefs, the threat of the unknown and the shock of the new world, an altogether darker fear is emerging. As a new shadow looms large over England, a small group of young men and women, led by Professor Van Helsing, are plunged into an epic struggle for survival.

ACCESS INFORMATION

The New Wolsey Theatre is a theatre for everyone. We strive to be as accessible as possible to all who come and enjoy our diverse programme of events or just fancy coming in for a coffee. For further information visit wolsleytheatre.co.uk/access/

Wheelchair User Access

There are six wheelchair user accessible spaces in The New Wolsey auditorium with step-free access: four in row C and two in row K. There is also a passenger lift to the upstairs seating in the auditorium. NW2 is accessible for wheelchair users.

AD **Audio Described Performances**

Audio Description captures the visual elements of a performance that a blind or partially-sighted person might otherwise miss and describes them in clear, vivid language through a pair of headphones. Free **Touch Tours** take place an hour before the performance.

BSL **British Sign Language Interpreted Performances**

BSL interpreted performances feature a professional interpreter who translates spoken English into British Sign Language.

CAP **Captioned Performances**

Theatre captions are similar to television subtitles and give deaf, deafened or hard-of-hearing audiences access to live performance.

RP/DF **Relaxed and Dementia Friendly Performances**

A Relaxed and/or Dementia Friendly performance is one that has been carefully adjusted to reduce anxiety or stress for those who might otherwise find

the experience unsettling or difficult. For example, changes are made to sound and lighting to eliminate surprise and soften their impact. There is a relaxed attitude to noise and moving around in the auditorium during the performance. These performances may be suitable for audiences with autism, sensory and communication needs, learning and/or physical disabilities, mental health conditions or people living with dementia.

Our Bradbury Platform is installed for these performances, increasing our wheelchair user accessible spaces up to 12. We are working towards being a Dementia Friendly venue and staff members are Dementia Friends.

TT **Touch Tours**

For many blind, partially sighted or visually impaired theatregoers, a touch tour is an essential part of the theatre experience. Having access to the stage and set before a performance is a way of firming up the descriptive information they may have already received and provides them with extra detail to allow them to engage with the production. Customers will explore the space, and may like to handle selected props, costumes and furniture.

For more information on the different types of accessible performances that we offer, please visit wolsleytheatre.co.uk/access/resources-guides/
