# A Warm Manchester Welcome

## The Best Inland Course in Lancashire

**We are proud to be an England Golf Championship Venue, the host of PGA Tournaments and to regularly feature in respected golf rankings and guides. Perhaps more importantly, we are thrilled to be chosen to host golf societies and company days throughout the year.**

As a private club with strict limits on membership numbers, our guests are an important contributor to everything we hold dear—from fantastic course conditions to beautiful wildlife; to a warm welcome and appreciation for everyone who chooses to visit Hopwood Cottage.

In addition our 247 acres, guests will find one of the best Professional Golf operations in the country with state-of-the-art facilities including the Putting Lab, Golf Performance Centre and Workshop—all manned by a well-qualified team known as The House of Golf.

There is even more to come in 2022 and 2023 with the creation of The Manchester Golf Academy, featuring a 350-yard driving range (with undercover and on-grass bays), short game area with 575m<sup>2</sup> green and teaching studio. Designed by a renowned Harry Colt Specialist, the Academy is available to our guests from the time of opening.

We hope this Guide to Society and Company Golf Packages provides a good introduction to all we have to offer—please contact the office or enquire via the website to check availability.

# Spring Packages

## Limited Dates Available March to April

Hopwood in Spring is a delight, from the bluebells in the woods to the wild flowers; deer crossing the fairways to migratory birds; our 247 acres truly leap to life as the nights get longer.

Our Spring packages are designed to work around you and your guests, whether you just fancy a game on a Championship course or complete day out with meal and time to relax.

Whatever you choose, there is always a warm Manchester Welcome. Please contact the office or enquire via the website about availability.

I was a member 40 years ago and this was my return! The course was still maintained to the very highest standard. The greens were fast and true (the best I've seen for quite a while touring). The bunkers well kept and generous of sand. This is a very picturesque course. The undulating topography provides many a great view over the next challenging hole. Whilst nowhere near the coast there are many similarities to a links feel. It plays longer than its yardage and is a great challenge especially the back nine.
