LOOK BOOK

BY LAURA WARNER
PHOTOGRAPHY BY JULIUS SANDOR
2018-2022

NOBODY IS SILENT. MANY ARE NOT HEARD. CHANGE THIS.

A WORD FROM THE FOUNDER

VEGAN, ACTIVIST, MODEL, ART ENTHUSIAST

“THERE ARE MANY WAYS TO SPEAK UP FOR ANIMALS. WHAT WE CHOSE TO WEAR IS ONE OF MANY OPPORTUNITIES TO INFLUENCE PEOPLE IN A VERBALLY SILENT, BUT FASHIONABLY LOUD WAY.”

-LAURA WARNER

I am beyond excited to release the first look book for The Honest Whisper. Not only is it an opportunity to showcase some vegan activist fashion, but also milestones for The Honest Whisper. I am so thankful for such a talented and inspiring community in Toronto, Ontario which has supported all of these accomplishments. I hope you enjoy this book and how much it means to me to have this to share with you.

Refusing to be 'polite' about slaughter is a feminist reclamation—it is the choice to be honest instead of palatable.

THE SAME HAND THAT DEMANDS A WOMAN BE SMALL IS THE HAND THAT KEEPS THE ANIMAL IN THE CAGE, AND THE ONLY RESPONSE IS A TOTAL, FIERY REFUSAL. WE ARE RECLAIMING THE RIGHT TO BE DIFFICULT, BECAUSE A 'PLEASANT' WOMAN IS A SILENT WITNESS, AND THE ANIMALS CAN NO LONGER AFFORD OUR POLITENESS. IF YOU ARE NOT ANGRY, YOU SIMPLY ARE NOT PAYING ATTENTION. THIS ANGER IS NOT A FLAW; IT IS INTEGRITY. IN A SYSTEM BUILT ON THE CONSUMPTION OF THE VULNERABLE AND THE SILENCING OF WOMEN, BEING "DIFFICULT" IS THE ONLY HONEST WAY TO EXIST. TO TRULY LOVE THE ANIMAL IS TO LOATHE THE CAGE—AND THERE IS NO BEAUTY IN PRETENDING THE VIEW IS ANYTHING BUT A CRIME.

"I am vegan for the animals, that's what propelled me on this journey. once i saw what was happening in industrial farming, i could not participate knowingly and willingly in the pain of another being. It's not that I didn't like the taste of meat, it's the quality of life of another being means more to me than a meal or a fashion trend or the latest cosmetic. The cherry on top is that I have never felt better in my life."
