COLLABORATION

We believe in the power of partnership. At **Icon Shine**, we work closely with property managers, developers, real estate firms, and facility management companies to deliver professional cleaning services tailored to their operational needs.

Our collaboration model is built on transparency, responsiveness, and aligned objectives. We offer co-branded service programs, tailored onboarding for joint projects, and real-time communication channels for efficient coordination. Whether it's mobilizing cleaning teams for new developments or maintaining ongoing facilities, our collaborative approach ensures performance consistency, streamlined delivery, and shared success.

We value long-term partnerships and believe that strong collaborations result in cleaner, healthier environments and satisfied end-users.

To further enhance our collaborations, we:

- Provide partner-specific reporting and performance dashboards
- Offer training sessions to align with client procedures
- Customize cleaning schedules to integrate with ongoing operations
- Establish SLAs and KPIs to ensure accountability
- Maintain open lines of feedback and continuous improvement

HEALTH & SAFETY COMMITMENT

We strictly adhere to Dubai Municipality health and safety regulations. Our teams are trained in safe chemical handling, PPE use, and cross-contamination prevention. We also implement quality control checks to ensure every service meets rigorous hygiene standards.

As part of our sustainability promise, we prioritize the use of biodegradable, non-toxic cleaning agents and implement water-saving practices across all operations. Our goal is not just to clean spaces, but to protect the environment and promote greener living in every community we serve.

CORPORATE **PROJECTS**

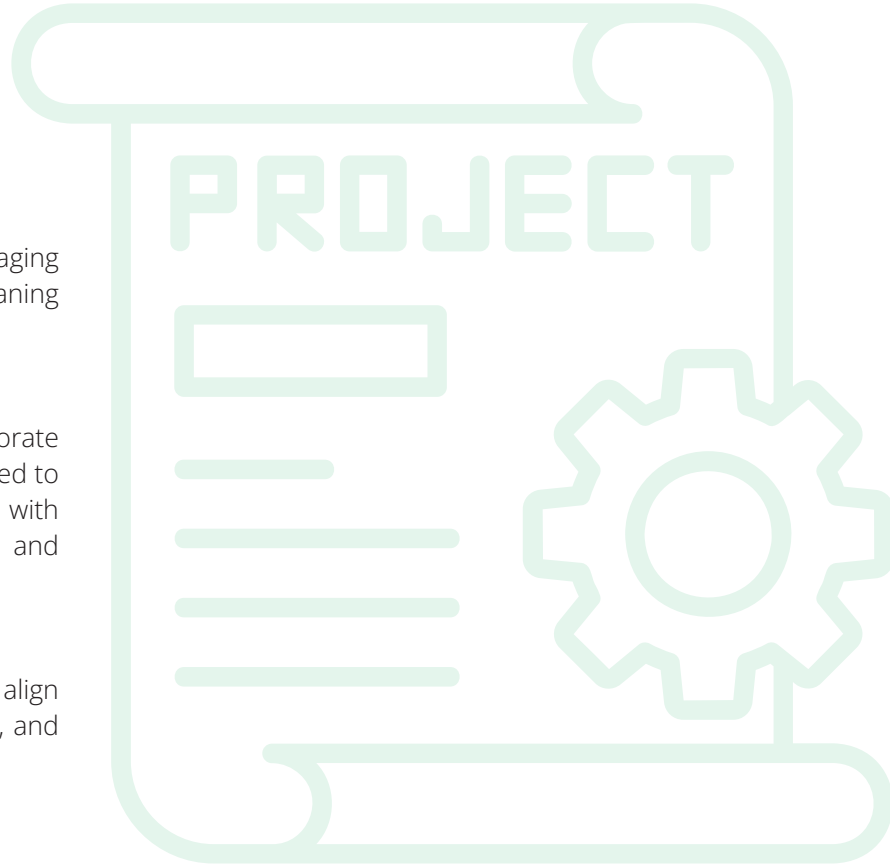

Icon Shine specializes in managing large-scale corporate cleaning projects across UAE.

From high-rise buildings to corporate campuses, our teams are equipped to handle complex requirements with efficiency, discretion, and professionalism.

We offer tailored solutions that align with brand standards, schedules, and compliance requirements.

Our corporate project solutions include site inspections, custom cleaning protocols, after-hours services, and ongoing maintenance programs. We collaborate with facility management teams to create integrated plans that reduce operational disruption while upholding impeccable cleanliness.

Our experience spans financial institutions, government offices, multinational headquarters, and technology parks — all managed with strict confidentiality and attention to detail.

ANNUAL CONTRACTS

Our annual maintenance contracts offer peace of mind through reliable, scheduled cleaning services. Designed for businesses and residential complexes, these contracts ensure consistent quality and hassle-free service throughout the year. Clients benefit from priority support, cost efficiency, and customizable packages to suit their unique needs.

Each annual contract is built around a detailed service calendar, guaranteeing timely execution of essential cleaning tasks. We adapt to your facility's workflow, offering flexibility for peak hours, holidays, and special events. With dedicated account managers, performance tracking, and periodic reviews, our annual contracts are designed to maintain long-term cleanliness, compliance, and client satisfaction.

We also provide bundled solutions that include deep cleaning, disinfection, and periodic polishing — all tailored under one agreement for seamless facility upkeep.
