ABOUT US

Vistar Global is a rapidly growing merchant export company based in Sports City, Meerut, Uttar Pradesh, India. Strategically located in Northern India, we are committed to delivering premium-quality Indian products to international markets with reliability, transparency, and excellence.

As a customer-focused export organization, we specialize in sourcing, quality assurance, and timely delivery across multiple product categories. Our mission is to build long-term business relationships by offering high-quality products, competitive pricing, and dependable supply chain solutions.

We proudly promote India's rich cultural heritage by exporting eco-friendly, sustainable, and handcrafted products sourced directly from skilled artisans. From exquisite handicrafts to premium agricultural commodities, every product reflects exceptional craftsmanship and authentic Indian artistry.

Quality is the foundation of our business. Our experienced team supervises sourcing, production, quality inspection, packaging, and dispatch to ensure that every shipment meets customer specifications and international standards. We have established contract farming partnerships with certified growers to produce premium organic vegetables under strict quality control protocols.

Vistar Global serves a diverse clientele worldwide, including wholesalers, importers, supermarkets, food service companies, and distributors. We welcome annual supply agreements for regular and uninterrupted deliveries. With a strong network of reliable suppliers, dedicated quality control, competitive pricing, and customized packaging solutions, we ensure timely deliveries backed by professional export documentation and logistics support. Our vision is to become a trusted global export partner by supplying premium-quality Indian products while creating sustainable value for customers, farmers, artisans, and business partners across the world.
