A Drive-through Holiday Light  
fundraising event for  
Channel 3 Kids Camp

Holiday Light Fantasia is a beloved Connecticut tradition and the season's must-visit family destination! The 2-mile show transforms Goodwin Park into a drive-through wonderland of holiday magic with a beautiful collection of over a million lights, set to a soundtrack sure to put you in the spirit of the holiday season. Holiday Light Fantasia is a true community collaboration – created, built, and staffed by the Channel 3 Kids Camp staff, Board of Directors, volunteers, generous sponsors, the City of Hartford, and regional organizations. Thank you to all who contributed time and resources to get this year's show up and glowing!

As a benefit for the Channel 3 Kids Camp, admission to the light display directly supports year-round camp programs at the 111-year-old nonprofit camp. The camp serves over 3,000 children each year. This support makes it possible for children to attend camp regardless of economic, physical, or developmental ability. Children are able to come to camp to play, learn, and grow without barriers in the great outdoors at our scenic setting in Andover and Coventry, Connecticut.

We wish you a safe and joyous holiday season!

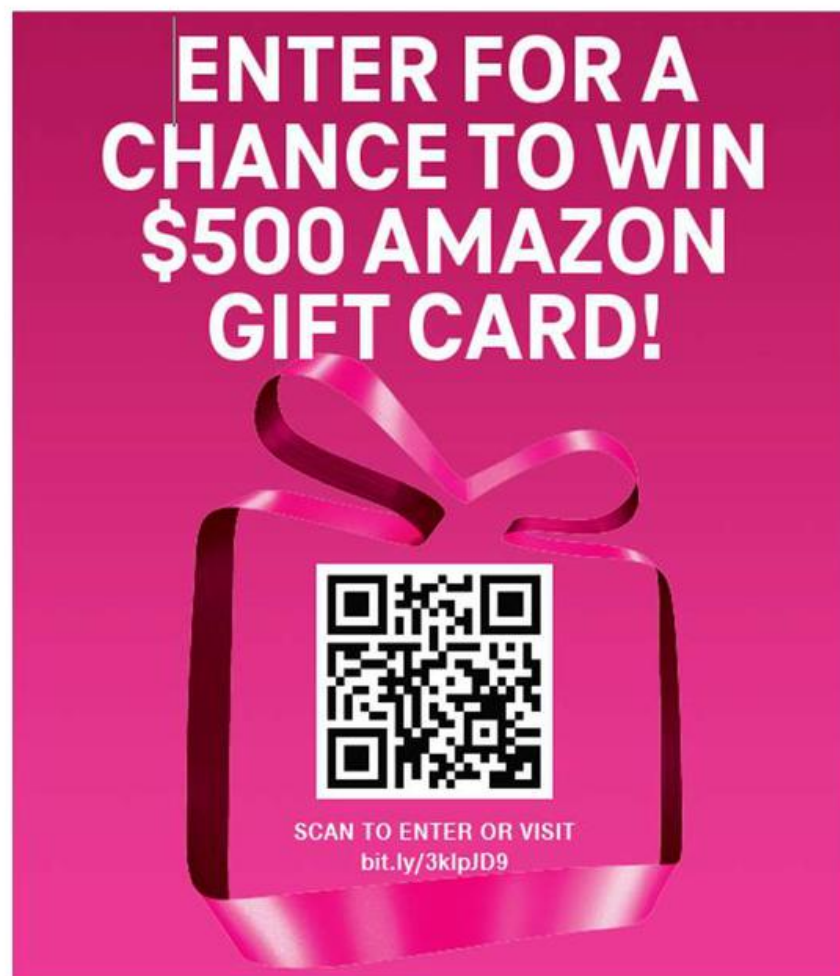

## **T-Mobile supports the Channel 3 Kids Camp!**

Both T-Mobile and the Channel 3 Kids Camp goals for Diversity, Equality and Inclusion are built into the values of our organizations.

T-Mobile is not only a proud supporter, but fortunate to be afforded the opportunity to sponsor an organization that is helping to build the strength and character of the youth and future of Connecticut!

We invite all spectators to enter for a chance to win a  
**\$500 Amazon Gift Card!**

**Thank you for coming to Central Connecticut's premiere light show:  
Holiday Light Fantasia!**

As the lights turn on in Goodwin Park for the 11th consecutive year, I would like to thank the staff and volunteer board members at Channel 3 Kids Camp, the hundreds of volunteers who helped complete and set up the displays, and our sponsors who all made this holiday event possible. The teamwork shows as you drive through the park and see some of your favorite characters and holiday themes come to life. This is the biggest, brightest and best light show we have ever had, and I hope all participants have a magical time during their visit.

Holiday Light Fantasia is a community and family-friendly event, to be enjoyed by all. It is also Channel 3 Kids Camp's largest and most essential fundraiser. Your participation in this event directly supports camp opportunities that would otherwise be unattainable for our children. Campers come to us from all over the state, regardless of their financial situation and inclusive of all abilities, and participate in camp together. This is all thanks to you and all the attendees for this cherished event.

Thank you again.

Best Holiday Wishes,

Dave Meizels  
Executive Director  
Channel 3 Kids Camp
