MARVEL GALA

A journey through nature's most amazing masterpieces, a collection of precious stones inspired by Earth's most striking landscapes. Marbles, crystals, granites and quartzites in bright and deep colors, reproduced with extreme realism and attention to graphic detail.

An homage to nature that recalls the intense colors of five natural stones, to elegantly explore and define new languages in the architecture of interior spaces.

MARVEL DIVA SLAB

*Marvel Diva is simply iconic—
an unapologetic celebration of
beauty, boldness, and
sophistication. This striking
collection features five new
marble-effect porcelain surfaces,
each one capturing the drama and
elegance of natural stone with stun-
ning realism. Whether used in resi-
dential or commercial settings,
Marvel Diva transforms spaces into
showpieces with its rich character
and timeless appeal.*

MARVEL X SLAB

A range of marble-effect porcelain tile surfaces inspired by contemporary marbles, designed with close attention to every detail. Soft shading, graphic depth, and attention to detail create an extraordinary marble-effect porcelain tile to be experienced on a daily basis. The rich details of natural marbles are reproduced with astonishing realism. Color matching, high definition of details, soft shading, and graphic depth combine the beauty of the surfaces with the technical performance of porcelain tiles.

UNIQUE INFINITY SLAB

*Inspired by black brecciated quartzite
Unique Infinity's distinctive structure
features stippling and vivid mineral
details alternating with large neutral
expanses.*

*Available in two different yet
complementary interpretations, two
faces of the same stone: Purestone and
Cobblestone. Brecciated quartzite is
\austere and elegant in the Purestone
philosophy, dynamic and eclectic in the
Cobblestone reading*
