**DEVELOPMENT OF
NEW ALIMOS MARINA**
MEMBER OF ELLAKTOR GROUP

WELCOME

On behalf of the Alimos Marina Team

Strategically located on the Athens Riviera, Alimos Marina is one of the largest marinas in Greece and a central gateway to the Saronic Gulf, the Cyclades and the Aegean Sea. Just a short drive from the historic center of Athens and 30 minutes from Athens International Airport, the marina offers ideal access for both short and long sailing itineraries.

With extensive berthing capacity and ongoing infrastructure upgrades, our guests benefit from a well-organized, secure facility supported by a wide range of technical services, provisioning options, and marina amenities. Our experienced team is here to support you before and during your stay, ensuring smooth operations and comfort for both guests and crew.

OUR FRIENDLY ALIMOS MARINA TEAM IS HERE TO ASSIST YOU

Redevelopment Project

1 PRE-ARRIVAL REQUIREMENTS

Advanced reservations are strongly recommended, as berthing availability cannot be guaranteed without a confirmed reservation.

In order to submit a berthing request, you need to visit the official website of Alimos Marina www.alimos-marina.gr and navigate through the **Service section**. The berthing application is available there.

Prior to berthing of the vessel, the berthing fees need to be pre-paid and the berthing agreement electronically signed.

Once all requirements have been fulfilled, a berth will be officially assigned, and you will receive your berthing allocation confirmation via email one day prior to the arrival day.

THE FOLLOWING VALID DOCUMENTS MUST ACCOMPANY YOUR APPLICATION:

- ✓ Vessel Registration Certificate
- ✓ Insurance Certificate
- ✓ Passport or ID card of the vessel's legal representative
- ✓ Power of Attorney (if applicable)

4 CONTACT DETAILS & OFFICE HOURS

Alimos Marina Administration Office

T +30 210 9880000

E Newalimosmarina@ellaktor.com

OPERATING HOURS

Mon-Thu & Sat	08:00 – 19:00
Friday	08:00 – 20:00
Sunday	08:00 – 18:00

For detailed operating hours and additional information, please visit the official Alimos Marina website www.alimos-marina.gr

2 CHECK IN & CHECK OUT TIMES

CHECK IN from 9:00

CHECK OUT before 15:00

Early check in or late check out will incur an additional fee.

In case required you need to request in advance an early check in / or late check out either through the berthing application form or at the Administration office of Alimos Marina.

We kindly ask for your cooperation in adhering to these times, in order to ensure the efficient management of berth availability.

3 ARRIVAL & DEPARTURE PROCEDURES

Our marina staff is available to assist with the docking of your yacht.

All vessels in transit are required to contact us on VHF Channel 71 prior to both arrival and departure, to ensure the proper use of mooring lines and safe berthing procedures.

Upon Arrival, visit the Alimos Marina office in case power & water supply is required during your stay.

Thirty minutes before departure, visit Alimos Marina office for disconnection of electricity and water supply.

ONLINE SERVICES & PROCEDURES

At Alimos Marina, we make it easy to stay one step ahead - whether you're planning your arrival, booking services, or managing paperwork.

Our user-friendly website, offers a complete suite of digital tools, allowing you to handle all procedures and requests quickly, securely, and remotely.

WHAT TO VISIT DURING YOUR STAY AT ALIMOS MARINA

> ALIMOS

A Timeless Jewel of the Athenian Riviera

Alimos is more than a marina — it's a vibrant coastal community full of local color and authentic Greek charm. Set along the Athenian Riviera, it offers golden beaches, bustling waterfront cafés, and green parks ideal for strolling. At its heart, Alimos Marina is both a gateway to the Aegean and a lively meeting point, where people enjoy seafood, coffee, and sea views. Wander neoclassical streets, discover traditional bakeries and tavernas, or embrace the beach bar energy at sunset. Whether sailing or simply savoring the atmosphere, Alimos captures the true spirit of coastal Athens, with the sea always within reach.

TAP TO EXPLORE

> ATHENS

Anchor your adventure at Alimos Marina, the gateway to Athens — a city where history's whispers mingle with the vibrant energy of today's urban soul. Here, ancient ruins stand in silent conversation with bustling markets and lively cafés, while the Aegean breeze carries stories of gods, poets, and dreamers. From this serene harbor, your journey unfolds — through winding cobblestone streets, sunlit plazas, and beneath the timeless gaze of the Acropolis. Whether you seek the echoes of the past or the pulse of contemporary life, Athens welcomes you with open arms, all just moments away from the peaceful shores of Alimos.

TAP TO EXPLORE

> SARONIC DAY TRIPS

Experience the quiet warmth of Alimos Marina - where the gentle sea breeze and soft morning light greet you like an old friend, wrapping you in a sense of calm and possibility. From this peaceful heaven, your journey begins. The Saronic Islands lie ahead - timeless and inviting - each with their own whisper of history and charm. Close enough for a day's escape, yet far enough to feel the freedom of the open sea, these islands promise blue horizons, hidden coves, and moments that linger long after the sails are lowered.

TAP TO EXPLORE

REDEVELOPMENT OF THE **NEW** ALIMOS MARINA

As a landmark and an integral part of Athens' coastal front, the new Alimos Marina is set to fulfill a vision: the creation of a new tourist destination that will serve as a natural extension of the city, connecting the urban landscape with the waterfront. This will be achieved under the umbrella of a green investment, focusing on the principles of sustainable development.

An important Investment in a fast-growing Coastal Area (waterfront)

The redevelopment of Alimos Marina, includes the use of a 210,000 sq. m. land area for diverse commercial, tourism, cultural, and sports-related facilities. The innovative design aligns with modern urban development principles, creating a citizen-friendly environment. The upgrading of the marina's marine section, along with the modernization of infrastructure and yacht hospitality services, that is expected to commence in the coming months, will establish Alimos Marina as one of the most advanced marinas in the Mediterranean.

Bridging the City with the Coastline

The New Alimos Marina will serve as a natural extension of the city, connecting the coastal front with the urban environment. Through new functional areas and circulation routes, the project will integrate the city's life with the marina's activities.

Low-Rise Buildings Surrounded by Green Spaces

A key aspect of the redesign is breaking the traditional boundaries along Poseidonos Avenue by extending urban axes toward the sea. Instead of large, monolithic structures, the new layout will feature smaller, dispersed buildings with green spaces. This approach ensures a visual and spatial connection between the city and the waterfront. Additionally, amphitheater-style green areas will create an inviting environment for outdoor events and leisure activities.

A Sustainable and Eco-Friendly Project

Greenery will play a central role in the project. Extensive green spaces and shaded areas will provide natural cooling and comfort. Existing vegetation will be preserved and enriched with new plantings throughout the marina. Furthermore, all ground-level buildings will feature green roofs to enhance their bioclimatic performance and improve the visual aesthetics from the cityscape.

An Accessible and Open Space for All

Shops, offices, restaurants, yacht rental services and a new coastal bike path among other things, will create a lively meeting point for recreation, socialization, and sports. Additionally, the Alimos Municipal Art Gallery and an information kiosk will be established within the marina, further enriching the cultural landscape of the area.
