ABOUT US

Established in 2018, Ashapura Impex is a proud manufacturer and exporter of premium Handicraft & Decorative Products from India. With a passion for preserving Indian culture and craftsmanship, we bring together skilled artisans and timeless artistic traditions to create products that are rich in beauty, authenticity, and character. Guided by the 30+ years of industry experience of our founder, Pritrajsinh Rajendrasinh Jadeja, our company has grown into a trusted global exporter. Our main product range includes Mud Art, Handmade Bags, Wall Frames, Wall Clocks, and a wide variety of Indian Art & Craft products.

Each creation is carefully handcrafted by our team of 25 skilled workers, ensuring exceptional quality, intricate detailing, and a blend of traditional artistry with modern appeal. We export worldwide and are committed to delivering superior craftsmanship, timely service, and customer satisfaction. We also offer product customization services, creating unique handcrafted items according to our customers' specific needs, themes, and designs.
