PILLAR

December 13, 2020

Dear Friends:

Since its formation in 2001, StandWithUs has remained an organization committed to using inspiring educational programs and experiences to counter antisemitism worldwide. This year's Festival of Lights International Gala honors individuals who support its commitment and mission to protect Jewish people from hate and prejudice. I am particularly proud to join StandWithUs in celebrating this year's Students Against Antisemitism honorees **Michaela, Sharon & Connor**.

On behalf of the City of Los Angeles, I extend my warmest gratitude and congratulations to these individuals for their advocacy and service to the entire Jewish community. Your impact on our City is invaluable, and I wish you all continued success in changing minds and opening hearts for many years to come.

Sincerely,

The Gardner Family honor Margot and Herbert Gardner's efforts on behalf of Israel, particularly in their work with StandWithUs, since the creation of the Michigan chapter many years ago.

Through their letter writing, trips to conferences and politicians' offices, brave on-campus interactions, extensive study of the facts, they have countered misinformation about Israel in the news, in Washington, D.C. and on college campuses.

They have been a model of strength,
smarts and action for all of us.

From your children and grandchildren.

StandWithUs Rallies for Israel

When Israel needs support, StandWithUs organizes major rallies in cities around the world. During Israel's Operation Protective Edge against Hamas, StandWithUs partnered with other organizations to hold major rallies in cities across the U.S. and Canada as well as in Paris and the UK. Participants waved flags and held signs that they downloaded from the StandWithUs website.
