02. New Services.

Introducing
the latest trend in beauty services at **A2 BEAUTY LOUNGE**
Eyebrow Lamination & Eyelash Lifting!

EYEBROW LAMINATION

is a semi-permanent treatment that helps to define and enhance the natural shape of your brows, giving them a fuller and more uniform appearance. This service is perfect for those looking to achieve that effortless, brushed-up brow look that is all the rage right now.

Our **EYELASH LIFTING**

service is a great alternative to lash extensions, giving your natural lashes a longer, lifted look without the need for mascara or curlers. This treatment is perfect for those who want to enhance their natural lashes and achieve a more awake and youthful appearance.

EYEBROWS LAMINATION is the ideal option for those, whose hair grows in the wrong direction, who have small gaps between hairs, as well as for those, who just wants their eyebrows to look well-groomed.

At **A2 BEAUTY LOUNGE**, our experienced technicians use only the highest quality products and techniques to ensure that you leave feeling confident and beautiful. Book your appointment today and experience the **TRANSFORMATIVE EFFECTS** of Eyebrow Lamination & Eyelash Lifting!
