MOERMAN: YOUR 1ST AND BEST CHOICE FOR FLOOR AND WINDOW CLEANING EQUIPMENT

Since 1885, Moerman has been developing and manufacturing the very best cleaning tools. Our goal is to design and manufacture innovative and durable cleaning tools that make cleaning easy and efficient.

Since decades our floor squeegees are the benchmark in the industry, we strive to offer the best value for money. Moerman produces over 20.000 floor squeegees a day in its state-of-the-art production facility located in Belgium. Customers worldwide choose our quality and knowhow. They trust Moerman for the streamlined production and seamless delivery at the best price/quality ratio.

Based on this extensive experience Moerman started designing and producing professional window cleaning tools. Our innovative products are conceived to help professionals solving the daily problems they encounter when doing their job. Meanwhile our EASE philosophy and tools have convinced professional users around the world to go for the next level in window cleaning.

OUR WINDOW CLEANING TOOLS: THE RESULT OF TARGETED PRODUCT DEVELOPMENT

Water residues on the window or window cleaners having shoulders, wrists, knees, back and joint complaints, it kept us awake at night. Therefore, we created the Jack campaign that aims to raise awareness amongst window cleaners that Moerman tools do facilitate the window cleaning job according to our EASE values. So Jack (a name chosen by Moerman) is introducing innovative cleaning concepts that might serve all his window cleaning colleagues. Are you ready to 'Do the F*LIQ?'
