**NEVER

ARE LOVED**

Dear Joyce,

I was so happy when I found the loved beyond measure books! I think this is the perfect way to show you just how special you are to all of us. You have given so much of yourself to a lot of people and you may not know just how much everything you do is appreciated. Thank you for being the nest sister, friend, and mom. I love you very much

Love,
Michael

Dear Joyce,

You are always in my thoughts and prayers. I will never forget all you did for me when I lost my job. You are kindhearted and the world would be a better place if there were more people like you

*With love from,
Becky*

Joyce,

I have known you since we kindergarten and from the first day we met I knew God had major plans for you. Your kindness and love for others always amazes me. Remember our college days and all the fun we had?! You are an amazing, beautiful woman and I am glad you are my friend

With love from,
Anna
