A message from our Head of School,

LES RAINEY

Welcome to the 54th year of Bay Area Christian School! We are honored to continue serving our community by providing a quality, Kingdom education to the next generation of students. We consider it both a privilege and a tremendous responsibility to partner with families in raising young men and women who know Christ, love Him deeply, and use their God given gifts to bring Him glory.

As a ministry of Bay Area Church, we believe there is no greater influence in a student's life than the partnership between the home, the church, and the school. Together, we have the incredible opportunity to shape the hearts, minds, and lives of the next generation. At Bay Area Christian School, this vision is more than words on a page. It is lived out every day across our campus. From the classroom to the athletic fields, from the band hall to chapel, and even through the joyful moments on the playground, our students are immersed in experiences intentionally designed to develop both their minds and their hearts.

Biblically integrated education is about far more than teaching Bible as another subject. It is about discipleship. It is about helping students view every area of life through the truth of God's Word, cultivating wisdom, pursuing excellence, serving faithfully, and living courageously in a culture that desperately needs the hope of Christ.

Jesus said in Luke 6:40, "A disciple is not above his teacher, but everyone when he is fully trained will be like his teacher." Those words remind us that students are shaped not only by what they are taught, but also by the lives of those who teach them. Because our faculty and staff will spend more than 40 hours each week investing in your children, we recognize the tremendous responsibility we have to model Christ in both word and action. Our teachers are more than educators. They are mentors, shepherds, and faithful examples who seek to reflect the character of Christ while pursuing excellence in the classroom. We count it a privilege to partner with you in shaping not only what your children know, but also who they are becoming.

This Back to School Guide is designed to help your family begin the school year with confidence. Rather than sending multiple emails, our goal is to provide one central resource containing the most important information you'll need as we prepare for the year ahead. Inside, you'll find introductions to new faculty and staff, divisional updates, lunch information, important dates, and other helpful resources.

As we prepare to welcome nearly 950 students back to campus, we do so with great anticipation, trusting that God has uniquely ordained this school year to grow each student academically, spiritually, socially, and emotionally. Thank you for your trust and partnership. It is a privilege to serve your family, and we look forward to all that God has in store this year.

It's a great day to be a Bronco!

optional locker move-in & schedule pick-up

Friday, August 7

Last Name: A - F 1:00-1:30 pm
Last Name: G - L 1:30-2:00 pm
Last Name: M - R 2:00-2:30 pm
Last Name: S - Z 2:30-3:00 pm

Our plan to keep locker move-in simple and stress-free is to provide an optional move-in day for families. We will have staggered times for assigned groups (organized by last name) during which students can receive their locker number, combo, and class schedule. **If you are not able to attend this optional day, your student will still be able to move into their assigned locker after Orientation on Monday, August 10.**

However, we hope that this additional day is helpful and creates a smooth process for your student. As a reminder, only the inside of the lockers can be decorated. We ask that no tape or adhesive be used on the inside of the lockers in order to keep our lockers in good shape for the following years. Magnets are fine.

What's for Lunch?

a note from our cafeteria supervisor

Aryana Behr

I am excited to introduce our new lunch menu for the 2026–2027 school year! This year, we have simplified our menu to feature our students' favorite vendor meals while introducing a new meal-style lunch option. Each lunch includes a side item—such as a cookie, fruit cup, or macaroni and cheese—and a bottled water, all included in the meal price. We are also pleased to offer fresh sandwiches prepared by Harvest Exchange Market.

Our BACS Snack Bar will continue to offer a variety of balanced snack options for students to purchase during lunch, including yogurt, popcorn, string cheese, pickles, chips, and other wholesome choices.

It is our prayer that our lunch program and snack bar provide students with the nourishment and energy they need to learn, laugh, play, and shine His light throughout the school day.
