

PHYTOTICS

Balance perfected through design that follows the body's physiological rhythm.
We design sustainable routines

PHYTOTICS begins with sincere research into women's concerns and designs sustainable routines.

-Physiology Path System™
Pathway design based on physiological rhythms

-Biotics Support System™
Internal ecosystem stabilization and defense strengthening

-Orchestrate System™
Harmonizing and integrating women's overall rhythms

PHYTOTICS delivers scientifically designed routines through three core systems for women

Balance completed by design, following the body's physiological rhythm.
For her every moment

Balance by Design PHYTOTICS

PHYTOTICS YELLOW / Daily Intimate Balance Ritual

Intimate Wellness, Reimagined Vaginal - derived probiotics meet dual-coating precision.

Brand	PHYTOTICS	Category	Probiotics	Type	Gut Wellness &Feminine Care	Net Weight	500mg X 30 capsules	Qty per Carton	60
Product	PHYTOTICS YELLOW			Barcode	8809854720605	Product Dims(mm)	92*50*106	CTN Dims(mm)	480*320*240
				Selling Points	- Vaginal-derived probiotics for sensitive feminine balance (dryness, odor, discharge discomfort). - Includes Korean & European patented strains + 3 billion CFU for structural balance. - Focused on the 3 biggest issues: dryness, odor, pH imbalance. - Simple once-a-day routine. - Strong survivability with dual-coating technology.				
				Product Benefits	- Helps manage recurring dryness, odor, discharge changes, restoring daily feminine comfort. - Patented vaginal strains (US/EU) help suppress harmful bacteria linked to vaginitis. - Supports balance easily disrupted by stress, fatigue, irregular lifestyle using 7-strain probiotics + zinc. - Dual-coated probiotics reach both vaginal & gut microbiomes, improving comfort and freshness. - Synbiotic daily care (probiotics + prebiotics) for women’s intimate balance.				
				Target Customers	- Women with repeated vaginal discomfort (dryness, odor, discharge imbalance). - Women in their 20s–40s experiencing changes due to stress or irregular routines. - Women sensitive to cycle-related or PMS-related balance changes. - Women wanting a simple, intuitive feminine-care probiotic. - Women needing consistent daily balance care with one capsule per day.				

PHYTOTICS RED / Gut-to-Slim Daily Formula

Balance Meets Control - Probiotics-powered gut health meets body fat management in one formula.

Brand	PHYTOTICS	Category	Probiotics	Type	Weight Management & Gut Health	Net Weight	2g X 30 sticks	Qty per Carton	80
Product	PHYTOTICS RED			Barcode	8809807287896	Product Dims(mm)	75*75*110	CTN Dims(mm)	580*380*264
				Selling Points	- Probiotics-based gut balance + body fat control daily formula. - 10 multi-strain probiotics for gut environment and post-meal condition care. - 2 stick packs per day for easy routine—body fat reduction + gut health simultaneously. - Stabilizes digestive comfort and satiety disrupted by stress and irregular meals. - 750mg Garcinia Cambogia extract blocks carb-to-fat conversion for carb-heavy diets.				
				Product Benefits	- Balancing formula that regulates gut environment and satiety imbalance. - Supports fat metabolism and body fat control in daily routine. - Improves recurring bloating and appetite flow when gut health is disrupted. - Restores light daily rhythm even with irregular meals or prolonged sitting. - Comprehensive care for slim figure, gut environment, and post-meal condition.				
				Target Customers	- Those concerned about accumulated body fat in stubborn areas. - Customers with condition irregularities from gut burden, bloating, irregular meals. - Women in their 20s–40s seeking gentle body fat management products. - Customers wanting slim routine based on gut health foundation. - Office workers and students with fluctuating appetite and post-meal conditions. - Consumers preferring easy-to-maintain products for light daily routine.				

PHYTOTICS BLACK / Liver-Energy Recovery System

Energy, Reclaimed - Silymarin-powered liver support meets metabolic vitality for peak performance.

Brand	PHYTOTICS	Category	Probiotics	Type	Gut Wellness &Feminine Care	Net Weight	500mg X 30 capsules	Qty per Carton	60
Product	PHYTOTICS YELLOW			Barcode	8809854720605	Product Dims(mm)	92*50*106	CTN Dims(mm)	480*320*240
				Selling Points	- Dual functionality: 130mg Milk Thistle (Silymarin) + Probiotics for liver & gut care. - Manages liver detox, metabolic flow, and fatigue recovery in one daily formula. - Optimized for recurring lethargy and performance decline from overwork and stress. - Once-daily intake for busy professionals—convenient energy-boosting routine. - Includes Taurine, Vitamins B1/B2/B6, and Vitamin C for fatigue management.				
				Product Benefits	- Restores daily performance diminished by persistent fatigue and liver burden. - Supports liver detoxification and metabolic balance—strengthens energy recovery. - Recovers lightness in liver condition weighed down by drinks, irregular sleep, caffeine. - Improves overall life condition including focus and vitality with consistent intake. - Comprehensive formula caring for liver, metabolism, and fatigue simultaneously.				
				Target Customers	- Office workers whose life rhythm collapsed from accumulated fatigue and declining focus. - Individuals in 20s–40s with liver and energy imbalance from stress and overtime. - Customers seeking simple daily routine for fatigue–liver–metabolism care. - Consumers experiencing performance decline from lack of exercise and lifestyle fatigue. - Customers looking for easy-to-maintain products for lighter, more energized daily life.				

PHYTOTICS CHOLINE INOSITOL / Cycle Balance Daily Ritual

Rhythm, Restored — Choline + Myo-Inositol meet 24-hour routine care for balanced cycles.

Brand	PHYTOTICS	Category	Women's Health Supplement	Type	Cycle Balance & Hormonal Support	Net Weight	2.5g X 60/30/15 sticks	Qty per Carton	24
Product	PHYTOTICS Choline Inositol (60/30/15 sticks - 3 SKUs)			Barcode	8809947610455	Product Dims(mm)	125*75*125	CTN Dims(mm)	530*320*261
				Selling Points	- Choline + Myo-Inositol targets cycle-related condition fluctuations (PMS, ovulation). - Morning–Evening 24-hour care (2 packs/day) for appetite, mood, blood sugar balance. - Lemon stick + easy-cut package—portable and easy to maintain. - Manages hormonal discomforts: skin issues, bloating, fatigue, lethargy. - Purpose-driven formula for women's sensitive daily flow—ideal for busy lifestyles.				
				Product Benefits	- Balances appetite changes, mood swings, energy drops around PMS and ovulation. - Recovers disrupted daily rhythm into stable pattern. - Organizes skin and condition changes from hormonal fluctuations. - Morning–evening split intake provides 24-hour sustained care. - Manages cycle-related skin stress, bloating, fatigue through routine intake.				
				Target Customers	- Women with disrupted daily rhythm from recurring PMS/ovulation changes. - Women with unstable focus and flow from cycle irregularities. - Those experiencing appetite swings, mood changes, skin stress, lethargy. - Women 20s–30s with unstable blood sugar/appetite from stress and irregular meals. - Those preferring convenient stick/lemon format for consistent routine.				

PHYTOTICS CITRUE ARGININE / Daily Vitality Booster

Energy, Unleashed — L-Arginine + Citrulline + Ginger meet liquid convenience for sustained daily vitality.

Brand	PHYTOTICS	Category	Nutrition & Energy Support	Type	Vitality & Performance Enhancement	Net Weight	20g X 15sticks	Qty per Carton	24
Product	PHYTOTICS CITRUE ARGININE			Barcode	8809807289975	Product Dims(mm)	85*50*173	CTN Dims(mm)	475*296*197
				Selling Points	- Liquid L-Arginine daily formula for adult vitality routine. - Based on arginine + exercise observation data, supports adult condition flow. - Citrulline (watermelon rind) + Ginger extract—plant-derived vitality synergy. - Stick-type format for daily rhythm—morning, pre-workout, before bed. - Direct intake or mix with water/tea—convenience meets preference.				
				Product Benefits	- Arginine-based formula supports daily activity and energy flow. - Exercise trial-backed—supports pre/post-workout condition routine. - Citrulline + Ginger supports vitality routine. - Vitamin C + Taurine → condition maintenance for busy days. - Liquid format enables easy routinization and convenience.				
				Target Customers	- Those seeking high-dose L-Arginine products. - Adults 20s–40s needing daily vitality routine (morning/work/workout). - Students and office workers needing sustained focus without fatigue. - Active individuals maintaining light performance routine with exercise. - Middle-aged individuals needing energy for healthy living. - Those preferring convenient liquid format for direct or mixed intake.
