

## CIRCULAR LEASE

Ride with peace of mind —  
and enjoy endless miles of  
cycling fun

Ready to make a smart choice? With circular lease, you opt for a nearly new bike that already had a first life, but is far from being worn out. Always immediately available, so you can hit the road right away. And as a bonus: it's even more financially attractive and better for our planet. Win win win!

You choose your circular bike through one of our bike dealers, via E-bis or Upway. The ordering process remains exactly the same as for a new bike.  
You choose, we take care of the rest.

- Maximum four years old
- Maximum 10,000 km on the odometer
- Battery capacity of at least 80%
- Includes 1-year warranty via the bike dealer

### Ready to choose?

Drop by a nearby bike shop or discover the range via E-bis or Upway. Before you know it, you'll be on your way with a bike that suits you and an extra good feeling!

\* Leasing exclusions:

E-steps, e-scooters, bikes via wholesalers, children's bikes and fatbikes from Super 73, Phatfour, Mate, Knaap, APE Ryder, Ouxi and Brekr
