The serums of Lactone company

L'ACTONE VISIBLY CLEAR SERUM 30 ml

When the pores of the skin are clogged, an appropriate environment is created for the bacteria present in the pores; these bacteria multiply over time, causing infections. These blisters cause permanent spots on the skin when hands are in constant contact with the face. It is very easy to prevent the formation of all of these things using **L'actone!**

What does it do?

L'actone acne serum has a molecular structure small enough to penetrate the lower layers of the skin. Thanks to this structure, it easily penetrates the skin layers and heals small tissues. You can get smoother, softer, brighter and refreshed skin the moment you use it.

How to use :

Apply gently to face and neck in the morning and /or evening. You can use it alone or in combination with other L'actone products to enhance it's effect.

The benefits:

It regulates the PH value of the skin and controls the oil and moisture balance. Prevents excess sebum production and clogging of pores. It is smooth the skin by preventing the formation of pimples and acne. it is lead to meet the water requirement and the moisture that the skin need , also it refresh and clarify the skin by this the pores become free from oil and dirt . Bacteria that cause pimple and acne cannot grow in this hygienic environment provided in the upper and middle layers of the skin .To see the effect of the product with the regular use,it especially requires 2-3 months of use. The body gets used to the cycle in 2-3 months and gives results.

Warning :

- Suitable for external use.
- Keep out of the reach of children.
- Avoid contact with eyes. In case of contact, wash with plenty of water.
- Keep away from direct sunlight in a cool and dry place.
- If allergic reactions occur, discontinue use and seek medical help if necessary.
- L'actone formulas are intended to use the right ingredients in the right concentrations.

Contents :

Aqua, Pentylene Glycol, PEG-12 Dimethicone, Panthenol, Salicylic Acid, Hydroxyethylcellulose, Epilobium Fleischeri Extract, Glycerin, Citric Acid, Potassium Sorbate, Parfum, Allantoin, Phenoxyethanol, Tetrasodium EDTA, Ethylhexylglycerin.

L'ACTONE HYALURONIC ACID SERUM 30 ml

It is seen that the production of hyaluronic acid, which is 15 g in the human body, slows down with advancing age. Therefore, we need supplements at every moment of life. When the production of hyaluronic acid slows down thoroughly, the skin begins to dry and give signals. That's why we take many different ways to solve sun damage, fine lines with age and deep wrinkles. Although it may seem appropriate to have a short-term procedure, it does not look very healthy in the long term. Another method of compensating when dry wrinkles are formed on the dry skin are various serum supplements and vitamins. If the skin's signals are not listened to, the skin damage will continue to deepen and cause irreversible problems.

L'actone Hyaluronic Acid, which is produced with advanced technologies and without losing its naturalness, saves you from many costly processes. Hyaluronic acid massages, which are supplemented from the outside, solve the imperfections of the skin in a short time and allow you to reach your desired skin.

What does it do?

L'actone hyaluronic acid eliminates wrinkles in regular use. It supports the water retention in the skin with the magnificent components it contains; gives you a bright, vibrant and natural skin

How to use?

After daily cleansing of dirt and makeup, apply a full dropper to dry skin. Massage and gently rub your face, neck and neckline with your fingertips. Suitable for once daily use.

* Suitable for use over the age of 18 to prevent deforming of the skin at an early age

Benefits:

Hyaluronic acid, which is in the category of moisturizing care, provides elasticity, firmness and moisture to the connective tissue in the skin. It prevents the skin to remain dry with its ability to attract and bind water molecules, thus eliminating wrinkle formation. Combats acne blemishes on the skin to ensure smoothness. With the excellent ingredients it contains (hyaluronic acid, witch nuts, grapefruit oil), it provides the highest degree of defect filling and healing and is effective in meeting the skin of your dreams.

* Suitable for all skin types, the product is also suitable for female / male use.

Warning

- Suitable for external use.
- Keep out of the reach of children.
- Avoid contact with eyes. In case of contact, wash with plenty of water.
- Keep away from direct sunlight in a cool and dry place.
- If allergic reactions occur, discontinue use and seek medical help if necessary.
- L'actone formulas are intended to use the right ingredients in the right concentrations.

L'ACTONE BIO-SERUM SKIN CARE OIL 50 ml

Humidity not only makes the skin feel uncomfortable, but also causes the skin to age faster. The skin is the most important organ in the body and needs constant water. Without the required moisture, the skin cannot function properly. This is because the structure of the skin cannot adequately retain oils and water. For example, it may result from forgetting to use your humidifier on a daily basis. As a result, the skin looks more lifeless and pale, feeling tense and uncomfortable. L'actone is a light-weighted Bio-serum prepared with precious oils that instantly deliver the moisture your skin needs. Provides a unique experience against dryness

L'ACTONE
BEAUTY CARE

What does it do?

Helps skin nourish, look fresh and radiant, reduce moisture loss and strengthen by gaining elasticity.

L'ACTONE Coenzyme Q10 OIL 30 ml

Our body naturally produces Q10, but over time, production in the body begins to decline with age. In addition, our skin is exposed to many factors such as cold, heat, hormone changes and stress, while these harmful factors accelerate the aging of the skin. As we age, the moisture level of our skin decreases, dries and sagging begins. After the age of 40, taking Q10 supplements or applying Q10 creams to the skin supports the antioxidant system, eliminates the effects of harmful factors, and reduces wrinkles by providing a moist and fresh skin. In addition, Q10 supplementation is effective in activating collagen fibers that tighten the skin.

What does it do?

It acts as a shield around the eyes by delaying the effects of aging. It activates the collagen and elastine fibers that make the skin to tighten. Helps reduce appearance of fine lines & wrinkles. It gives your eye contour flexibility and a vivid look.

How to use?

Apply the product to the eye contour after cleaning it and gently massage it with two fingers only because the area around the eye is a sensitive area, make a light plump to ensure better absorption of the product.

benefits

Eye care oil helps to remove wrinkles around your eyes while providing flexibility and a vivid look. It gives botox effect while giving shine to skin.

* Suitable for all skin types, the product is also suitable for female / male use.
