SPORTS ETC.

Welcome to Sports Etc, New England's Hockey Leader and original Goalie Super Store. Established in 1980, in the hockey rich area of Greater Boston, we have been servicing New England's hockey players and goalies for more than 40 years.

We understand that anyone can sell hockey equipment, but not everyone can truly fit hockey equipment. If you've been here you know we simply will not take shortcuts or sacrifice fit to make a sale. That is what we are trying to bring to the table as we expand our business to the world wide web.

There are a lot of places to get hockey equipment online, so you have a choice. You can buy from a hockey website, or you can buy from a professional hockey shop with real employees that fit gear every day, that has a website. There is a difference and the difference is service and expertise.

AHIHA is much more than just a place where athletes learn how to skate and shoot pucks. It is an organization that works hard to help its participants to achieve goals and become successful in life and hockey.

"I will never forget the first day in the locker room when the kids looked around the room and were surrounded by kids just like them – the looks on their faces were priceless! They were in awe!! We soon found out it wasn't "just a hockey camp", it is so much more! We found a new family." Karen Gintoli, mother of 2 deaf hockey players (Bronze medal team, 2015 Deaflympics)
