

ONBOARDING CHECKLIST

AYERS ROCK RESORT

Welcome to your new beginning at Ayers Rock Resort. Follow our step-by-step checklist to make your move stress free.

DOCUMENTATION & ADMIN

- Update Medicare Address:** Before or upon arrival make sure to update the address of your Medicare card.
- Vehicle Registration and Driver's Licence:** If you have a vehicle or driver's licence from outside the Northern Territory, consult the Yulara Police at +61 8 8956 2166 for information on transferring registrations and licences. This needs to be completed within 3 months of arriving.
- Mail Redirection:** Arrange for your mail to be forwarded to your new address

HEALTH & INSURANCE

- Health Insurance:** Due to limited medical services in Yulara, it's highly recommended to have health or travel insurance.
- Medications:** Bring any necessary prescription medications (atleast 6 months worth) and consider discussing ongoing prescription needs with your healthcare provider.

Ask the Yulara medical centre for information

FINANCIAL PREPARATION

- Banking Details:** Ensure your bank account is set up for salary deposits. We do not have a bank in Yulara so you will need to go to the bank and organise this before arrival.
- Tax File Number (TFN):** Have your TFN ready for employment documentation.
- Superannuation Details:** Prepare your superannuation account information.
- Relocation Funds:** Bring sufficient funds to cover expenses for two weeks before your first pay check (We recommend at least \$500pp).

ARRIVAL DETAILS

- Confirm Your Travel Plans:**
Ensure you've booked your flight to Ayers Rock Resort Airport, bus to Yulara, or mapped your drive. Inform your recruiter of your confirmed travel details at least one week before your arrival. This information is crucial to coordinate your airport pick-up and finalize your housing allocation.
- Notify of Any Changes Promptly:**
Relocation can come with unexpected adjustments. If your arrival plans change, inform your recruiter immediately so they can update your arrangements accordingly.

UNIFORM & WORK ATTIRE

Most departments provide part of your uniform; however, you will need supply certain items like pants, shorts and footwear.

Please ensure to review the requirement [here](#) to ensure you have brought the correct items for your first day.

TRANSPORTATION

- Vehicle Considerations:** If bringing a vehicle, ensure it's suitable for remote conditions and familiarize yourself with local regulations.
- Bicycle:** A bicycle can be a convenient mode of transport within the resort. eBikes & eScooters are not permitted.

COMMUNICATION

- Mobile Service:** Telstra provides the most extensive coverage in Yulara, ensuring reliable mobile connectivity.
- Internet Access:** Internet options in Yulara are limited. While Starlink offers reliable satellite internet services, it can be costly. Many residents opt to use mobile hotspots, leveraging Telstra's mobile plans that include unlimited data. This approach provides a more affordable and flexible internet solution

COMMUNITY ENGAGEMENT

- Familiarize Yourself with the Resort:** Explore the [Ayers Rock Resort Community Website](#) to learn about facilities, services, and community events and our FB page.
- Cultural Awareness:** Respect and understand the local Indigenous culture and traditions.
